VOTE OF THANKS

IIM Lucknow successfully completed the final placement season for the 2023-2024 cycle for the 38th batch of PGP and 19th batch of PGP-ABM students.

We want to thank the recruiters, the placement teams and the management of IIM Lucknow, who extended complete faith in the placement procedure. Without their continuous support and tireless efforts, this feat would not have been possible. We are inspired and determined to contribute to the management landscape with India's greatest minds as the new recruitment cycle bears witness to our institute's legacy.
