IDEA TO EXECUTION

GNIOT INSTITUTE OF MANAGEMENT STUDIES

DELHI, NCR / GREATER NOIDA, INDIA | www.gims.net.in | 1800-274-6969

ABOUT US@GIMS

GNIOT Group of Institutions (GNIOT) is the brainchild of the visionary industrialist, Late Shri Krishan Lal Gupta, the founder of the group. He has distinguished himself through his significant contributions to business, academics, research, government, and society at large.

GNIOT Institute of Management Studies (GIMS), Greater Noida, offers Post Graduate Diploma in Management (PGDM) approved by AICTE and Ministry of Education, Govt. of India. PGDM is the Flagship program of GNIOT Group which opens a new world of opportunities for the students. Our emphasis is on holistic development of the students. Interdisciplinary approach is implemented in the teaching-learning process and research. At GIMS, our endeavour is to treat every student as an individual, to recognize their potential and to ensure that they receive the best preparation and training for achieving their career ambitions and life goals. We aim at producing not only good professionals but also good and worthy citizens of a great country, aiding in its overall progress and development.

OUR VISION

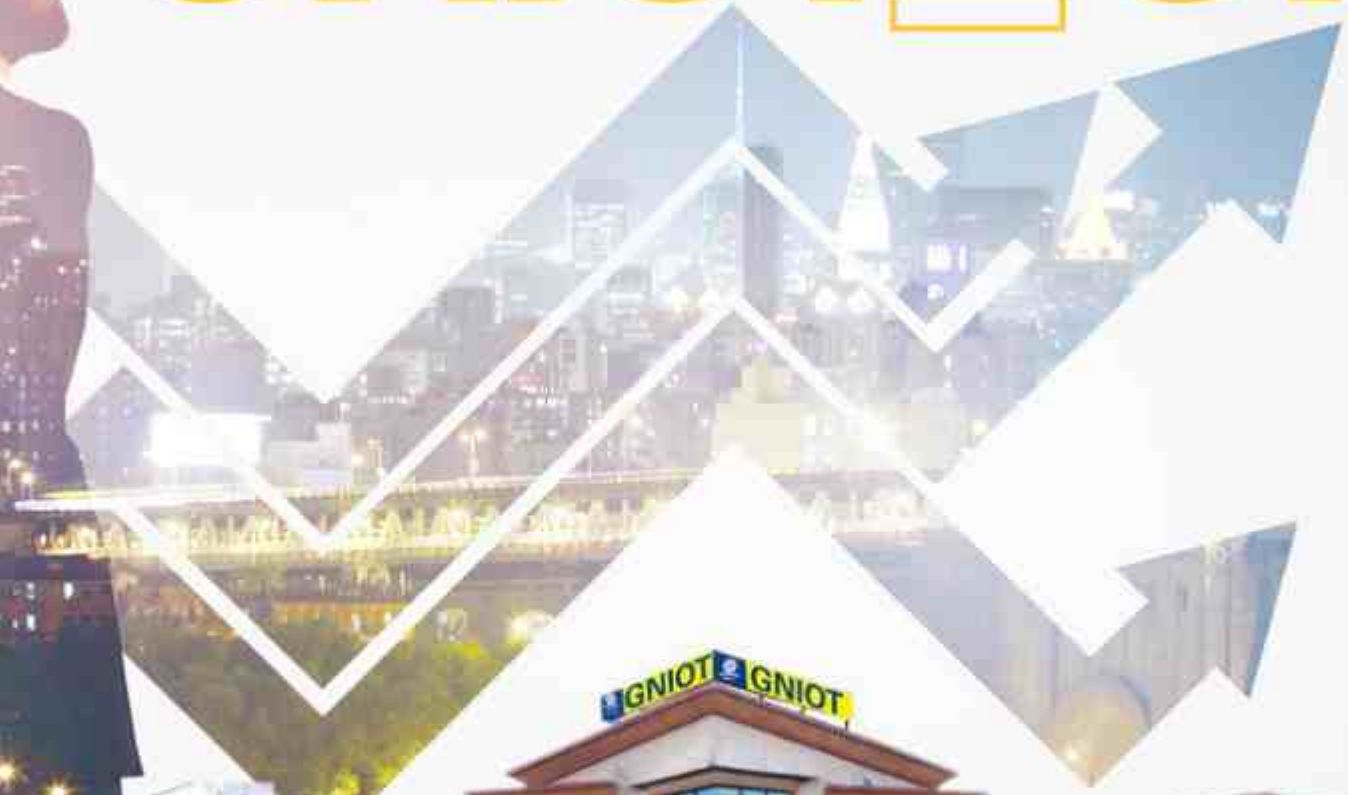

To become a widely acclaimed management school contributing towards management education for developing business leaders having functional knowledge of all the domains of management.

OUR MISSION

- To be a widely acclaimed center for management education.
- To develop management professionals for upcoming business challenges and enduring entrepreneurial spirit.
- To be the first choice for prospective students, faculty and employers.
- Facilitating application of concept and techniques for innovative research.

GNIOT_GIMS

Chairman's Message

A manager today has got to lead, meet targets and also to achieve success in creating a second line of leaders. As citizens of the New Global Village one must be prepared to smoothly step within the leader's shoes if the necessity arises. The qualities of a leader: Strong moral fiber, vision, determination and focus to rework that vision to reality are within the grasp of everyone. We at GIMS are committed to groom this young pool of talent so that they are transformed into entrepreneurs with a quality mission. They become Job-Creators rather than Job-Hunters.

We always strive to impart excellent quality education in the field of management. The learning at GIMS, Greater Noida is pervasive and powerful. It drives students to succeed inside themselves for the strength, skills and confidence they're going to get to face in their managerial careers. In every session, class, event, and activity, GIMSians are trained not only to study leadership, but also to demonstrate it.

The constant endeavour of our team of highly experienced and dedicated faculties, supported by equally impressive infrastructure has considerably helped our students in the acquisition and development of appreciable competency. I invite sincere and committed students to join GIMS. I can assure you that GIMS responds pro-actively to the wider needs of the educational and social environment of our country. I trust your stay in the college will be richly rewarding and immensely memorable.

“ The qualities of a leader: Strong moral fiber vision, determination and focus to rework that vision to reality is within the grasp of everyone. ”

Rajesh Kumar Gupta
Chairman (GNIOT Group)

CEO's Message

Swadesh Kumar Singh

CEO - GIMS, Greater Noida

GNIOT Institute of Management Studies (GIMS), Greater Noida is one of the premier business schools. It is committed to academic excellence and developing socially responsible future leaders and entrepreneurs. We promote excellence in students by providing them personal coaching and mentoring to help them discover their hidden potential and unique talents. The 'committed' faculty members and industry 'experts' teach and guide students so that students learn and develop competencies required by the Digital YUCA world.

GIMS, Greater Noida is an established and highly esteemed institution, where we maintain utmost academic standards, incorporated with the conduct of discipline, thereby achieving remarkable and excellent percentage of results. We firmly believe that education is the key to a nation's progress, with this we will take it as our bounded duty to provide the best academic training that a student can possibly get. The institution endeavours to comfort the students with all the necessary knowledge and skills to become truly successful in the chosen field. In whatever career a student may choose to take, hard work and discipline are the sure roads towards success. And as an educational institution, we will support students in achieving those golden ambitions and also ensure that their stay in the college is meaningful and fruitful as well.

Students, you are about to cross a bridge in your life because college education is a turning point itself. It is in your hands to make sure that this bridge leads you towards success. The hard work of today is the triumph of the future. The time and effort you spend today are the deciding factors of your later years.

As the CEO of this institution, I anticipate the full participation and cooperation of the students and parents to make it possible for us to transform those dreams to reality. And if there is any assistance that you might need, be it personal or professional, I shall always be willing to hear from you.

I wish you all the best!

“ Success usually comes to those who are too busy to be looking for it. ”

Deputy Director's Message

Creating an Attitude... because the global economy has converged countries into borderless entities, the business world is continuously pushed by knowledge and fueled by technology. Innovation and creativity have become the key drivers pushing Indian corporate to expand in a fast forward mode, creating innumerable opportunities for enterprising young men and ladies. The world is looking towards India as a valuable source of manpower of top quality and competency.

Imparting critical analytical skills among the scholars is important, robust academic acumen coupled with effective content delivery, by competent faculty, exposure to current business practices, through industrial visits, seminars, latest certifications and summer intensive projects as research projects will pave the trail and guide the scholars in their journey from Campus to Corporate.

GNIOT Institute of Management Studies, Greater Noida is an establishment of latest age, believes within the best and endeavours to make the robust, incorporating values and imbibing ethics in its approach to developing students. With flexibility to usher in innovation in teaching methods and therefore the state-of-the-art learning technologies, enriched by the wisdom of experienced faculty and committed leadership, the institution is geared to supply future leaders of India Inc. Our students, fired determinedly to excel, march forward with grit, confidence and competence. To enable and empower them is our mission. Join GNIOT Institute of Management Studies, Greater Noida for the journey towards your transformation and success.

“ Innovation and creativity have become the key drivers pushing Indian corporate to expand in a fast forward mode... ”

Prof. Mayank Kumar Pandey

Deputy Director - GIMS, Greater Noida

Head - CRC's Message

Jitendra Vashishtha
Head CRC-GIMS, Greater Noida

Incorporating the industrial expectation and management student's expectations is the key functioning of Corporate Resource Centre (CRC). In today's competitive business world, the bar has been raised by the industry and their expectations are at next level. To cope with this, our dedicated team of professionals understands the current requirements of the organizations and identifies the lacking skills and knowledge in the students and nurture those skills to meet the expectations of both i.e. the students and the industry.

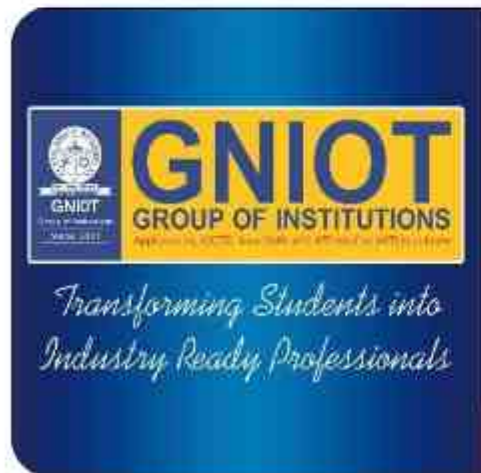

During the most difficult time of pandemic, we received commendable support from all our recruiting partners not only offering the opportunities to our students but also on-boarding them. We appreciate and convey our sincere thanks to all our existing campus placement partners and welcome new recruitment partners for our upcoming PGDM Batch.

CRC at GIMS assists its students in understanding their career goals by organizing special session with them internally as well as with the help of industry experts and make them industry ready professionals during the period. The department organizes regular activities with the help of industry experts like Guest Lectures / Chanakya Talk Series / Industrial Visits / Specialized Training Programmers / Group Discussions / Personal Interviews / Resume Writing / Motivational Sessions etc. We offer dedicated support to our budding managers by arranging Live Projects / Summer Internships and securing their future with final placement in reputed organizations.

“ I welcome all PGDM aspirants and our esteemed industry associates to be a part of the continued success journey at GIMS, Greater Noida. ”

Academic Partnership with IIMBx

GNIOT Institute of Management Studies, Greater Noida has signed up for Academic Partnership with IIMBx to offer certificate programme as part of the "IIMBX School Partnership Programme."

The objective of the partnership is to train students in the areas of management – data and insights, economics, finance, marketing, people management, operations, and strategy'. Led by the faculty at IIM Bangalore, IIMBx , the initiative will offer online courses that are designed to groom the change-makers of tomorrow. Teaching will follow the format of online lectures, videos, reading material, text and infographics, practice problems, expert interviews, and discussion forums.

About the Course/s offered

The course will be designed with IIMBx to meet the current demands of the market. The course offered will introduce the learner to behavioral dimensions of management, thus providing a clear conceptual understanding about the basics of the subject. The partnership of GIMS with IIMBx wish to leverage educational technology to create a world-class repository of digital courseware in management for learners across the globe.

IIMBx Advantage to GIMSians

- Adopting best practices from IIMB faculty's classroom and real-world experience, and harnessing state-of-the-art educational technology. The partnership will help Students up skill themselves.
- Effective and engaging learning experience through lecture videos, online quizzes, multimedia cases, references, readings, forum interactions, expert interviews and live sessions.

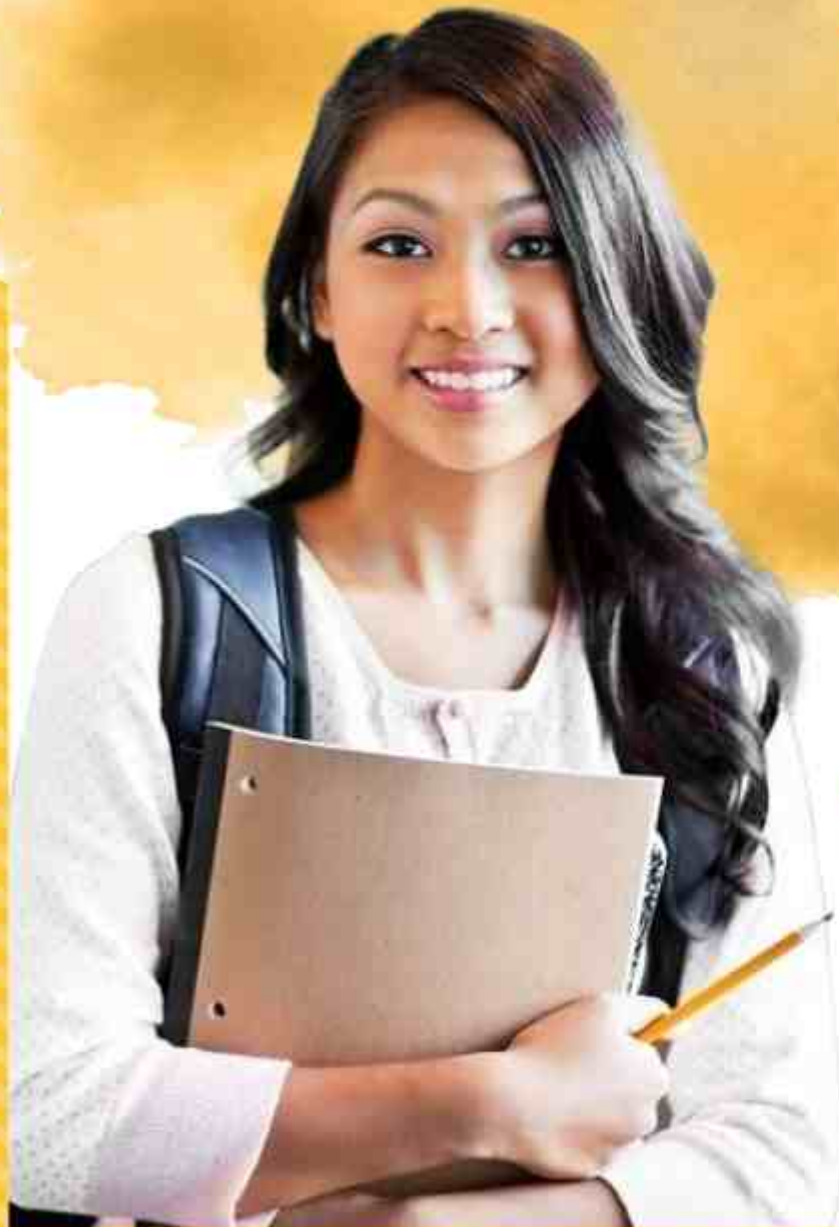

The academic partnership demonstrates institute's commitment towards taking educational initiatives for the managers of tomorrow. The institute ensures that adequate knowledge and skill sets are developed amongst the students, which will enable them to take on responsibilities in a myriad of corporate sector. The program will also develop high potentials and capabilities amongst GIMSians to take up leadership positions.

COLLABORATIONS & MOUs

Collaborations, accreditations and affiliations always make any professional education institution a value-imparting institution. GIMS, Greater Noida has corroborated this right from its inception. GIMS, Greater Noida has signed up various MOUs, affiliations and accreditations to ensure an industry ready education to its Millennial Capital. Following are the affiliations and collaborations of GIMS with different academic bodies, premier institutes and industry to impart value-added education:

1. MOU with Atal Incubation Centre, BIMTECH, Greater Noida to foster entrepreneurship among the young managers.
2. Collaboration with Analytics Society of India to enhance the research front of the students.
3. MOU for collaborative learning and with Universitas Mahasaraswati Denpasar, Indonesia.
4. An ISO 2001:9000 quality certification.
5. Academic partnership with Indian Institute of Management, Bangalore
6. Membership of Association of Management Schools and NHRDN.
7. The institution is also a part of the Global Virtual Team (GVT) which gives an exposure to our young managers to connect with the scholars around the globe. The GVT is not only to focus on their research skills but instead, it also gives these young managers a chance to know and understand the cultures and practices globally. This could lead to the enhancement of their global networking.
8. MOU with MSME, PPDC to impart various Skill Augmentation Certifications
9. MOU with GTTM Barclays for imparting Life skills training to its millennial managers.
10. MOU with International Blockchain Alliance.

GIMS focuses on this enrichment aspect of the national and international tie-ups rather than just exchange of information. This is just the beginning. There are many more affiliations and approvals in the offing with the times to come.
