MESSAGE FROM THE CHAIRPERSON

As the landscape of work continues to evolve, it is imperative that educational institutions also transform to cultivate the leaders of tomorrow. At JIMS Kalkaji, we pride ourselves on our ability to adapt and respond to the ever-changing demands of a competitive global economy. The PGDM Class of 2024–26 exemplifies this commitment to excellence, characterized by intellectual rigor, an entrepreneurial spirit, and a profound sense of purpose.

Our students benefit from a comprehensive educational experience that combines a strong academic foundation with practical exposure and meaningful industry engagement. This holistic approach ensures that they are not only equipped to thrive in their careers but also poised to make significant contributions to the future of business and society. I am confident that this cohort will embody the highest standards of professionalism, integrity, and impact in all their endeavors.

Founded in the memory of Shri Jagannath Gupta Ji by Dr. Amit Gupta, JIMS is steeped in a rich legacy of values-driven leadership, academic innovation, and dedication to nation-building. Our students are proud torchbearers of this legacy, ready to make their mark on the world.

CHAIRMAN'S MESSAGE

Dr. Amit Gupta

JIMS was established in 1997 with a clear vision and purpose. It was envisioned that in the foreseeable future it would evolve into a worldclass business-school recognized for its commitment to high powered quality education and research. JIMS is also committed to developing outstanding professionals & entrepreneurs, who exemplify humanistic values, are socially responsible stewards who will create & disseminate practitioner oriented knowledge that will uplift society.

The current global business environment is driving India Inc. to rethink strategy, reassess agendas & revisit several of the long-standing rules of the game. Leadership is being stretched for direction & results; management is being tested for fortitude & having a balanced head-on-shoulders approach to keep the momentum going. As the business world gets more complex, B-School recruits will need to be equipped with new skills-sets, innovative ideas and a heightened mental toughness to sail through the current corporate turbulence.

In order to keep pace with the velocity of change and thrive in an uncertain environment, JIMS has already shifted gears to a mode of mastering change. It has launched several strategic initiatives at both the macro and micro levels to ensure that students' overall development is in tune with the present demands and expectations of industry. At JIMS, our strategic focus in future will address areas of curriculum design, mentoring & live project, advanced statistical software training, international summer internship, soft skills, stress coping & EI learning. These initiatives will focus on developing student competencies in dealing with global complexity, emerging technologies, change, social & cultural diversity.

I am confident that our 'high values adding' initiatives will help create tomorrow's skilled leaders as 'value' is all about upskilling individuals and contributing to business results

DIRECTOR'S MESSAGE

JIMS is a reputed brand in the Higher Education industry providing comprehensive and excellent educational and research services in both India and abroad. We are renowned for grooming our young students into multi-skilled managers well-suited for various sectors of the industry.

Known for our academic excellence, rigorous research amongst faculty and students we spark passion for innovation and creativity in young minds. Our alumni are currently staffing prestigious positions in various MNCs and top of the line companies.

I am confident that with the excellent commitment and support of its eminent faculty the students will surely be able to carve new career landscapes in which to pursue their goals with passion and zeal. Energy and enthusiasm if rightly deployed can generate success in big bytes. Our students who are holistically developed to be multifaceted are well equipped to effectively manage employees with diverse skills and mindsets. I firmly believe that our students are competent and well equipped to swiftly respond to all future challenges.

Dr. Anuj Verma

Internship At Grant Thornton Bharat

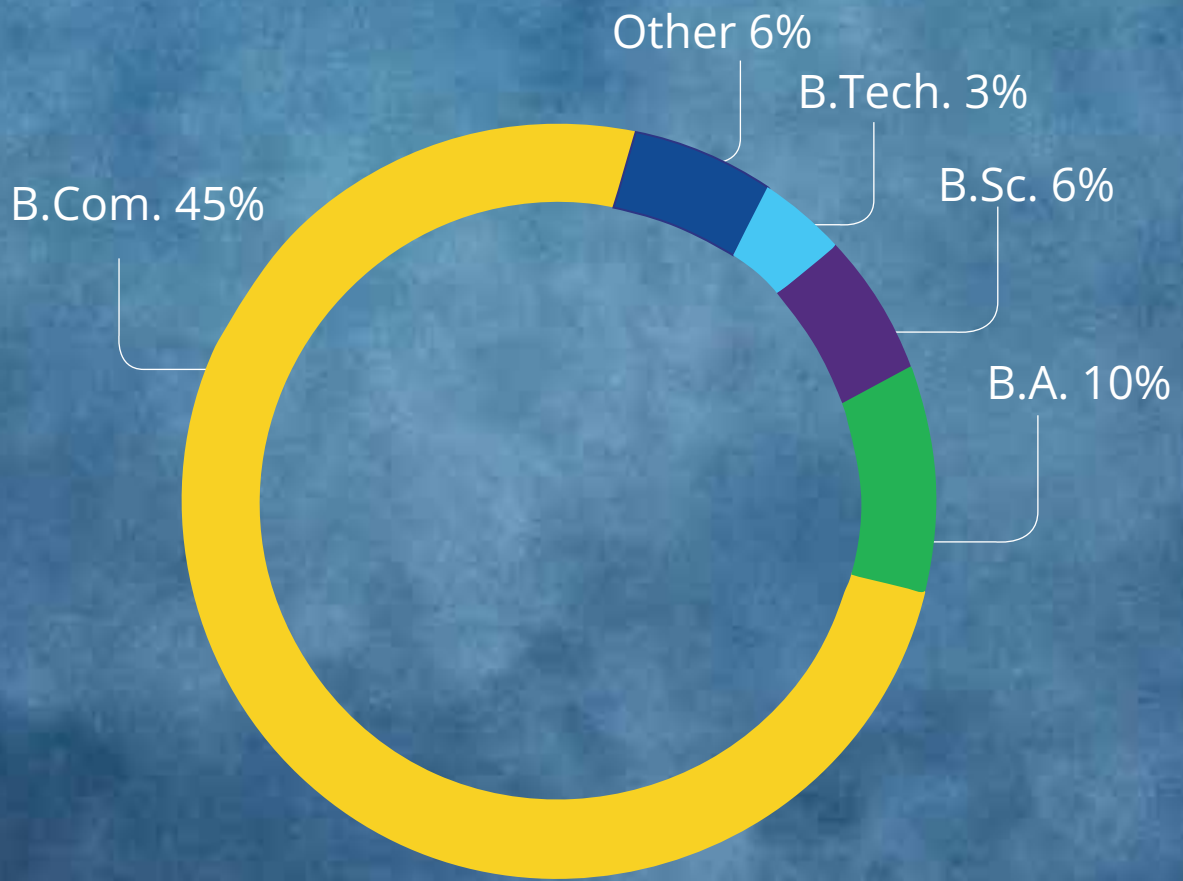

"I'm grateful to JIMS Kalkaji and my faculty for their guidance in helping me secure an internship at GT Bharat.

I worked with the Market Ecosystem team, gaining hands-on experience in financial data research, YoY analysis and company profiling.

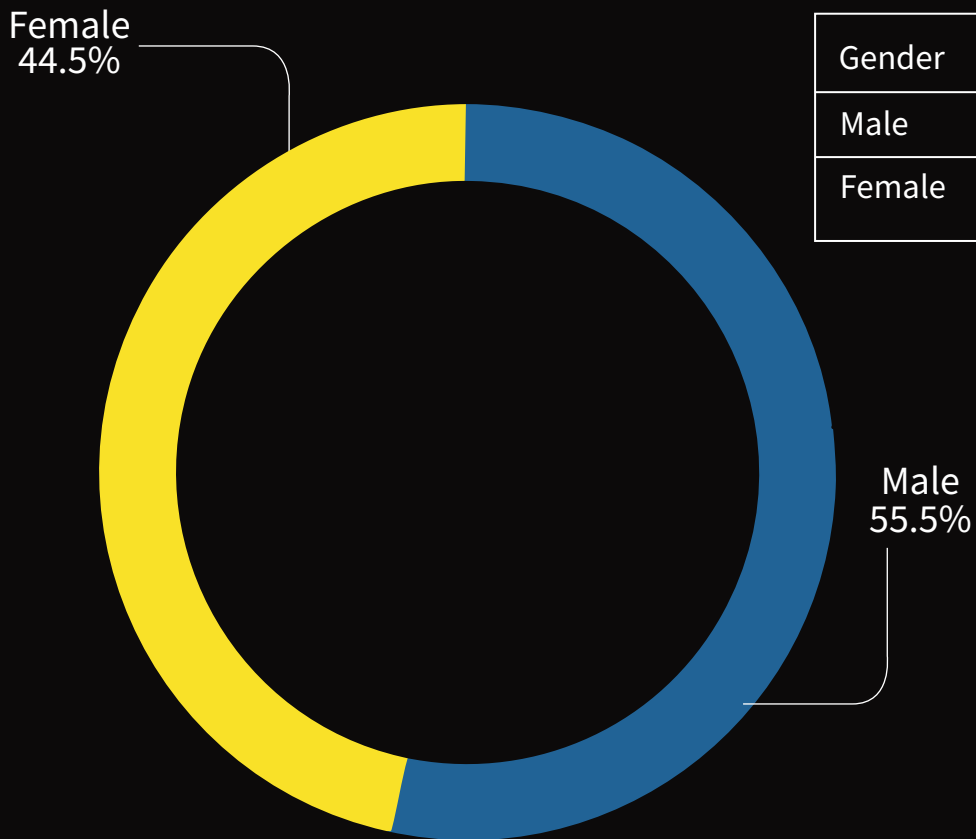

This opportunity enhanced my analytical and presentation skills under the mentorship of a supportive director and manager."
