K J Somaiya Institute of Management

Nestled in a beautifully landscaped campus in the heart of the commercial capital of India, K J Somaiya Institute of Management acts as a perfect crucible for the transformation of students. KJSIM believes in enabling transformation journeys of individuals to value-based & purpose-driven leaders for building a better world.

KJSIM holds the coveted AACSB accreditation and has been recognized as the 42nd-ranked institution by the QS World Ranking. With a razor-sharp goal of creating 'day-one ready graduates', a cornerstone of KJSIM's strength lies in its extensive industry collaborations and a 15,000+ global alumni base, affording students opportunities such as guest speaker sessions, summer internships, capstone projects, and mentorship from industry experts that seamlessly align with the ever-evolving industry landscape.

KJSIM is led by Director & Dean, Raman Ramachandran, Ph.D, former Chairman and Managing Director of BASF India, is committed proponent of bridging the gap between industry expectations and graduate outcomes. He spearheads a team of seasoned faculty and dedicated staff members.

Transforming, Together Journey

KJSIM has an integrated framework to enable transformation of students during their 2-year MBA journey. The framework has 2 key components:

Nurture Potential

Based on research*, KJSIM has identified seven competencies/human capabilities that are critical to succeed in future. Students undergo a psychometric test and receive a self-evaluation report to understand their relative strength and development areas. Over the two years of their MBA journey, students have an opportunity to develop these capabilities through various initiatives and classroom sessions.

KJSIM nurtures the following competencies (skillset) of students:

- Working with People (Collaboration)
- Adhering to Principles and Values
- Presenting and Communicating Information
- Analyzing
- Learning and Researching
- Delivering Results and Meeting Customer Expectations
- Adapting and Responding to Change

Student Progression Index

KJSIM believes that true transformation happens through experiences beyond the classroom. The Student Progression Index is designed to encourage student participation in areas that enable multifaceted development.

The parameters for measuring student progression index are:

- Academics (CGPA)
- Deep Reflective Learning through Ken & Economist
- Careers & Conversations with Leaders
- Certifications (industry-led certifications & Coursera)
- Competitions (Participations and achievements)
- Active participation in sports & fitness
