

# FINAL **PLACEMENT** REPORT 2023-25

**DEPARTMENT OF  
MANAGEMENT STUDIES**  
INDIAN INSTITUTE OF TECHNOLOGY, DELHI

# MESSAGE BOARD

**PROF. SURYA PRAKASH SINGH**  
Head of Department  
Chairperson, Operations & Supply Chain Area

The Department of Management Studies (DMS) at IIT Delhi is dedicated to shaping the next generation of global business leaders. Since its inception, we have combined a rigorous academic curriculum featuring state-of-the-art courses with real-world insights from global field studies and industry pioneers. Our consistent ranking among India's top B-schools is a testament to the caliber of our students, as reflected in our record-breaking placement statistics. Supported by a prestigious alumni network and enduring corporate partnerships, DMS continues to set new benchmarks in management excellence.

**PROF. ARPAN K. KAR**  
Chairperson, Information Systems Area  
Advisor, Corporate Affairs & Placements

IIT Delhi's MBA Class of 2023-25 has successfully completed its Final Placements with recruiters from various verticals offering diverse profiles in sales, marketing, IT/ITES, strategy & consulting, operations, supply chain, finance, HR, and general management. The college expresses gratitude to its regular recruiters who maintain their strong relationships, including Bain & Company, McKinsey & Company, Amazon, and Tata Consumer Products, among others. The college also appreciates new recruiters for trusting and aligning their hiring cycles with our placement drive. The national and international rankings as a B-School continue to attract the best students and recruiters.

**PROF. VIVEK G. NAIR**  
Coordinator, Corporate Affairs & Placements

The successful completion of the Final Placements reflects the distinctive value of the MBA programme at the Department of Management Studies at IIT Delhi, which draws on a legacy of over three decades of management education within the IIT system. New Delhi's strategic location further enriches this experience by enabling close industry interactions, frequent guest lectures, and engagement with leaders from business, policy, and academia. Embedded in IIT's strong research culture, the programme benefits from the robust research performance of DMS faculty, ensuring that MBA students learn evidence-based, contemporary, and best management practices.

**SANGEETA SUMBLY**  
Vice President, Corporate Affairs & Placements

The Department of Management Studies has continued to strengthen its reputation and credibility within the industry. With the increase in the number of students, it is encouraging to see legacy recruiters from diverse sectors opening both existing and new roles for our students. Our alumni have also contributed tremendously by increasing their engagement and actively guiding students in their career journeys. Furthermore, the dedication and commitment of our Placement Committee have ensured participation from reputed and leading organizations across multiple industries and domains, creating valuable opportunities for our students.

# PLACEMENT COMMITTEE

We would like to express our heartfelt gratitude to the Head of the Department, Faculty Placement Coordinator, and the entire DMS fraternity for their constant support, encouragement, and guidance throughout our endeavors. We are also immensely indebted to our alumni community for its continuous motivation and endearment towards its alma mater.

We are extremely grateful to the corporate leaders for their dedicated participation in our corporate relations sessions and for educating the students with valuable industry insights. Most importantly, we would like to thank the industry, for its unwavering support through placements at DMS, and we sincerely look forward to reinforcing these associations in the coming years. We wish the students the very best for all their upcoming endeavors.
