PATIALA

**ENDORSED BY  
INDIA'S TOP  
CORPORATIONS**

It gives me immense pleasure to welcome you to the Dera Bassi campus of Thapar Institute of Engineering and Technology (TIET), Patiala. Established in 2007, LM Thapar School of Management (LMTSM) proudly carries forward the seven-decade-long legacy of the Thapar Institute of Engineering and Technology, Patiala. Located at the DeraBassi Campus, near Chandigarh - a beautiful and planned city, LMTSM has, in less than two decades, emerged as one of India's premier AACSB-accredited management institutes. We are committed to developing leaders who integrate professional excellence with Indian values and a global perspective.

At LMTSM, we believe that true excellence in management education lies not only in academic rigor, but also in the development of character, ethical leadership, and a deep sense of social responsibility. Our programs are thoughtfully designed and delivered to foster analytical thinking, innovation, and an entrepreneurial mindset.

Our experienced and research-oriented faculty, dedicated staff, accomplished alumni and talented students coupled with the state-of-the-art infrastructure and lush green campus create a vibrant and intellectually stimulating learning environment. Through a rich combination of rigorous academics, experiential learning, community and industry engagement, and global exposure, we strive to empower our students to lead with confidence and make meaningful contributions across diverse sectors and societies.

We warmly invite you to visit our campus and become a part of this inspiring and transformative journey.

# GLOBAL IMMERSION

The MBA Program boasts a curriculum that challenges students to view business through an international scope. The Summer Internships abroad offer a unique opportunity for students to gain much needed global exposure. The Global Immersion Program at LMTSM provides unique firsthand experience with the business and culture of the host country. The consulting and research projects provide individuals with an insight into applying class room theories to real world business problems. We strongly believe future leaders must not only be equipped with global sensitivity but also must possess an intuitive understanding of ways to leverage innovative business models from developed to emerging markets.

I have undertaken an internship with The Leading Solutions, gaining professional experience in the domains of finance and marketing. I have also managed a Dr Lal Path Labs franchise, handling operations and client management, while I was still pursuing my B.Com. As an active member of the Commerce Forum in my college, I contributed to the planning, organisation, and execution of various events and workshops. I am currently pursuing an NISM certification to further enhance my knowledge and skills in the financial sector.

Sudhanshu Sharma

## UG Degree

- B.Com

## UG Specialisation

- Financial Analytics

## Summary

Finance is a domain, that attracts me the most. During my internship at Kamdhenu LTD, I worked as a finance intern and I really enjoyed what I learned. Besides this, I am efficient with analytics and softwares like Tableau, Excel and Orange. I like gaming a lot and I would love to work in the field if I ever get a chance. Nowadays, marketing has intrigued my curiosity. Let's see what this domain unveils.
