# FINAL PLACEMENT REPORT 2023-25

## ABOUT

# IIM AMRITSAR

The Indian Institute of Management Amritsar, established by the Ministry of Education, stands at the heart of the historic city of Amritsar- home to the Golden Temple and Jallianwala Bagh. As one of the country's rising premier management institutions, it blends academic rigor with practical industry relevance. Its flagship two-year full-time MBA in General Management, with specializations in Business Analytics and Human Resources, is complemented by a robust doctoral programme, an Executive MBA for working professionals, and an interdisciplinary M.Sc. in Data Science and Management offered in collaboration with IIT Ropar. The newly launched Integrated Programme in Management (IPM) further strengthens its commitment to nurturing future business leaders.

Learning at IIM Amritsar goes beyond the classroom through case analyses, cross-functional projects, simulations, live industry assignments, company immersions, and continuous guest sessions in technology-enabled classrooms. A well-equipped library and computing centre ensure 24/7 academic support, while vibrant common spaces, student clubs, and residential facilities foster collaboration and holistic development. Global partnerships provide opportunities for exchange programmes, international projects, and immersion experiences. In this ecosystem, where rigorous academics meet experiential learning and global exposure, students develop market-ready skills, strategic thinking, and the confidence to create meaningful impact in their professional journeys.

# MESSAGE FROM THE CHAIRPERSONS

Dear Business Leaders,  
Greetings from IIM Amritsar!

Established in 2015 as the 15th Indian Institute of Management, IIM Amritsar has rapidly evolved into a leading centre for emerging managerial talent. Within just ten years, the institute has built a strong reputation among corporate recruiters, reflected in the consistently growing participation in both summer internships and final placements. This trust highlights the strength of our intellectual ecosystem and the vibrant, engaging learning culture on campus. Under the strategic guidance of our Director and a distinguished faculty body, we continue to push the boundaries of management education. Our pedagogy, curriculum design, assessment processes, and academic rigor are continuously enhanced to match global standards and meet the needs of an evolving business landscape.

Despite economic uncertainties and challenging global business conditions in 2023–25, IIM Amritsar witnessed exceptional interest from new recruiters, an encouraging endorsement of our capabilities and a meaningful responsibility we embrace. The past years also marked significant academic progress with the amalgamation of five impactful programmes: MBA Core, the specialized MBA in Human Resources, the MBA in Business Analytics, MSDSM in collaboration with IIT Ropar, and the Executive MBA for working professionals. With great pride, we present the students of our flagship MBA programme, professionals shaped by strong business fundamentals, ethical values, emotional resilience, critical thinking, and sound decision-making abilities. We warmly invite you to engage with our student-managers and experience their energy, commitment, and readiness to contribute meaningfully to your organization.

We look forward to building a long-standing and mutually enriching relationship that supports your organization's growth journey.

**Prof. Sakshi Aggarwal**  
Placements Co-Chair, IIM Amritsar

Dear Business Leaders,  
Greetings from IIM Amritsar!

It is my pleasure to invite you to participate in the placement process at the Indian Institute of Management Amritsar. Our MBA, MBA-Business Analytics, and MBA-Human Resources batches are presented with immense pride by our faculty, who ensure that every student is shaped by the values of integrity, social responsibility, and accountability, qualities that enable them to add meaningful managerial value to your organizations.

Established as the fifteenth IIM by the Government of India, IIM Amritsar has quickly risen to prominence as a preferred destination for management talent. In just eight years, the institute has built a strong reputation among corporate recruiters, reflected in the growing participation in summer internships and final placements. This trust is a testament to our strong academic foundation, vibrant learning environment, and the dedicated leadership of our Director and faculty. We continuously refine our pedagogy, curriculum, assessment processes, and co-curricular engagement to align with global standards, reinforcing our position as one of the nation's fastest-growing management institutions.

The years 2023–2025 saw remarkable interest from new recruiters, reaffirming the capabilities of our students and the confidence industry places in our institute. Over the past years, IIM Amritsar has also expanded its academic footprint by launching four innovative programmes: MSDSM in collaboration with IIT Ropar, the Executive MBA for working professionals, the MBA in Analytics, and a specialized full-time MBA in Human Resources. With great confidence, we present the students of our flagship MBA programme, individuals equipped not only with strong business fundamentals but also with ethical judgment, emotional intelligence, resilience, critical thinking, and sound decision-making skills.

Our students' rising placement outcomes and the diversity of roles offered year after year reflect the trust that companies continue to place in them. Each graduating cohort attracts a broader spectrum of recruiters across emerging and established sectors. We hope you will find our students to be an excellent fit for your organizational goals and that they will contribute with dedication, capability, and professionalism.

We look forward to building a long-standing and mutually rewarding partnership that supports your organization's growth while enabling our students to create meaningful impact.

**Prof. Swapandeeep Arora**
