About IMT, Nagpur

Established in 2004, IMT Nagpur is now one of the finest management colleges in India today. Ranked among the top B-Schools in India, IMT Nagpur, with its 27 acres of lush green campus located in the heart of India, has a unique amalgamation of faculty, technology, curriculum and diverse cultural environment, which equips its students to deal with challenges and opportunities of complex business dynamics.

We are accredited by AICTE, AIU and NBA and we have successfully been nurturing and educating budding talents in fields of Marketing, Finance, Business Analytics, Human Resources and Operations. IMT Nagpur offers full time residential PGDM and FPM programs recognized by AICTE – PGDM, PGDM-Marketing, PGDM-Finance, and FPM. The PGDM Programme of IMT Nagpur has been granted MBA equivalence by AIU and has the distinction of receiving six years' accreditation from the National Board of Accreditation in its very first attempt, which is a rare feat by an Indian B-School.

Our goal is to provide the students with a value driven and technology oriented academic environment which will help them achieve their dreams! We highly value integrity and sensitivity to sustainability in our approach. Hence, our mission is to enrich our students to excellency. With our array of programs and expert faculties, we at IMT Nagpur aim to be recognized as a key contributor in innovative management education in India."

Dear Corporate Partner,

Greetings from Institute of Management Technology (IMT), Nagpur.

With great pleasure and humility, I extend a warm welcome to you on behalf of Institute of Management (IMT), Nagpur. In our pursuit of shaping tomorrow's leaders, your support and involvement in the placement process, is integral to our shared success and the nation's success.

It is with great pride and optimism, that I present to you the latest cohort of our PGDM program - young professionals who embody the core values of competence, commitment, and creativity.

I extend a warm invitation to you and your esteemed organization to engage with our talented students for your organization's talent requirements. We are confident that our students will add significant value to your organization through their passion, agility, and problem-solving mindset. Our twenty seven acre, fully residential campus provides an immersive environment that fosters not only academic excellence but also the wholesome and holistic development of every student. The sprawling and nurturing ecosystem is designed to support the metamorphosis of young students into well rounded corporate citizens.

We take pride in fostering an ecosystem that blends academic rigor with industry relevance. Our distinguished faculty, modern pedagogy, and strong emphasis on innovation and technology prepares students to make a meaningful impact from day one.

I sincerely look forward to welcome you on our Campus. Thank you for your continued trust and support. We look forward to a lasting and mutually enriching association that shapes the future of business and society.

Warm Regards

Dr. Rajneesh Chauhan
Director, IMT Nagpur

MESSAGE
FROM DIRECTOR

VISION

To be recognized as a key contributor in innovative management education in India.

MISSION

To develop management professionals through an industry-driven curriculum and applied scholarship with a focus on sustainable practices

VALUES

Integrity
Collective Decision Making
Academic Freedom
Compassion with commitment
Sensitivity to sustainability

MESSAGE FROM CHAIRPERSON

Respected Recruiters

It is an honor to welcome you all to the Institute of Management Technology, Nagpur, for this pivotal placement season of the PGDM batch of 2024–26. As the Placement Chairperson, I take immense pride in presenting to you a group of young professionals who are not only academically proficient but also equipped with the skills, creativity, and resilience required to thrive in today's dynamic corporate landscape.

At IMT Nagpur, we believe in nurturing holistic individuals. Our curriculum is designed to foster analytical thinking, problem-solving capabilities, and effective communication, qualities that are indispensable in the modern professional world. Additionally, we emphasize industry exposure through internships, workshops, and real-world case studies, ensuring that our students are well-prepared to meet and exceed the expectations of esteemed organizations like yours.

Beyond technical expertise, our students embody adaptability and leadership. They have collaborated on innovative projects, led student initiatives, and demonstrated remarkable teamwork across various domains. Their ability to embrace challenges and deliver solutions makes them valuable assets to any organization.

We deeply appreciate the trust that recruiters place in us by selecting talent from our institution year after year. Your continued support and engagement help us refine our training methodologies, ensuring our educational approach aligns with the evolving needs of the industry. As you interact with the students of the PGDM 2024–26 batch, I encourage you to explore not only their academic credentials but also their passion, vision, and commitment to excellence.

On behalf of the entire placement team, I extend my heartfelt gratitude for your participation in the placement process. We look forward to fostering long-term associations that contribute to mutual growth and success. May this placement season be fruitful for both recruiters and our aspiring professionals.

Thank you, and wishing you a productive and insightful recruitment process.

Prof. Sayan Banerjee

Chairperson – Placement, Training, and Development

The full-time PGDM programme at IMT Nagpur is accredited by AICTE. It is a fully autonomous, residential program conducted through a trimester system (six terms) spread over two academic years.

PGDM

(Post-Graduate Diploma in Management) is awarded in the following streams:

a PGDM

The institute allows students to either pursue a general PGDM without any specialization or specialize in one or two functional areas.

b PGDM (Finance / Marketing)

The institute allows students to specialize in a single area (stream specialization) or in two functional areas, keeping the stream specialization as the primary focus.

In the first year of these programmes, students undertake a number of compulsory courses across various functional areas such as Marketing, Finance, Business Analytics & IT, HR & OB, Operations, and Economics. These courses build a strong foundation for students to pursue their specialization in the second year.

In the second year, students must choose 12 elective courses from those offered by the institute. A student must opt for six to eight courses for a major specialization, four courses for a minor specialization, and, if needed, the remaining two courses from other areas. Students also have the option to pursue a dual specialization. In the case of dual specialization, the student selects six courses each from the two chosen areas.

Students may specialize in functional areas such as Finance, Marketing, HR & OB, Operations, and Business Analytics & Information Technology, depending on their area of interest.

Summer Training and Projects

The Summer Internship Project (SIP) is an integral part of the PGDM programme at IMT Nagpur. Spanning 10 to 12 weeks between the two academic years and exposes students to the rigours and realities of the corporate world. It also equips them to focus more effectively on their chosen functional areas during the second year of the programme.

Courses Offered and Electives (For 1st Year)

Business Analytics	✓	Human Resource Management

Beyond Academics

THE IMT EXPERIENCE

COMMITTEES

Placement Committee

This student-led committee manages all placement activities, connecting with corporates to secure internships and job opportunities for students.

Corporate Communication Committee

This team builds IMT Nagpur's image through creative campaigns and social media, connecting the college with the world and strengthening its reputation.

Alumni Committee

This committee connects alumni and students through engaging events, fostering mentorship, collaboration, and lasting bonds.

Admission Interaction Committee

This student-led committee guides aspirants with clear communication, real insights, and prompt support throughout the admissions process.

Corporate Interaction Committee

This committee bridges academia and industry through impactful engagements, preparing students to become future-ready professionals.

Innovation and Incubation Cell

This student-driven committee promotes innovation and entrepreneurship through events, workshops, and startup connections, empowering students to become future job creators.

International Relations Committee (IRC)

This committee fosters global exposure through exchange programs, foreign language courses, and international events, promoting cross-cultural understanding.

Milestone Committee

This committee brings campus to life through M34 and M35—flagship fests filled with fun, learning, cultural events, and unforgettable experiences.

Utthaan – The CSR Committee

This CSR committee drives social impact through initiatives like blood donation, tree plantation, and village outreach, promoting inclusive growth and community development.

COMMITTEES

OVIA - The Cultural Committee

This cultural committee is the creative soul of campus, celebrating festivals, organizing events, and turning moments into lasting memories through music, art, and passion.

GYM Committee

This committee promotes fitness as a lifelong investment, encouraging consistency, discipline, and strength through a focus on physical well-being.

Mess Committee

This committee ensures nutritious meals and well-being while hosting fun food events that foster community and connection on campus.

Sports Committee

This committee fosters a vibrant sports culture through events like Parikrama and Ranbhoomi, promoting teamwork, strategy, and healthy competition year-round.

UVA (United Voices of Aspirations)

This oratory committee nurtures public speaking, critical thinking, and global awareness through events like MUN, TEDx, and debates, empowering students to voice ideas and inspire change.

The Centre for Sustainability and Growth with Development (CSGD)

This centre drives sustainable and inclusive growth by promoting responsible business practices, impactful research, and long-term value creation for a better tomorrow.

OKONOMOS- The Business & Economics Forum

This forum fosters economic and business awareness through events, quizzes, discussions, and daily updates, helping students stay informed and industry-ready.

xploHRe – The HR Forum of IMT Nagpur

This HR forum develops strategic and empathetic HR skills through events like KYC and Unfold Untold, fostering leadership, collaboration, and innovative thinking.

Concord

IMT Nagpur hosted its annual fest, Concord '25, on March 1–2, themed "The Six Elements of Earth," with domain-specific challenges in Marketing, Finance, Operations, HR, BAIT, and Economics.

Led by academic forums, the intra-college event offered students a platform to apply theory, think analytically, and sharpen managerial skills through real-world simulations.

Knowledge is Power

FORUMS

AnalytiX – The Business Analytics and IT Forum

This forum builds analytical and tech skills through events, workshops, and sessions, preparing students for data-driven roles in dynamic business environments.

Cyclops – The Operations Forum

This operations forum fosters interest in supply chain and operations through newsletters, revision sessions, mock tests, and active participation in events like Concord.

Finaholics- The Finance Forum

This finance forum enhances financial skills through sessions, talks, games, and competitions, blending strong fundamentals with real-world insights.

Marque - The Marketing Forum

This marketing forum blends strategy with creativity through workshops, games, and flagship events like Marque Wars, inspiring innovation and real-world marketing skills.

CLUBS

Hypnotics

This club unites passionate dancers to tell stories through movement. From "Happy Feet" to surprise flashmobs, it sparks energy, creativity, and connection in every step.

InShades

InShades, IMT Nagpur's Fine Arts Club, is a creative haven where students explore their artistic side through workshops, fun activities, and exhibitions.

Literati

Literati, the literary club of IMT Nagpur, is where creativity meets expression. It nurtures a love for reading, writing, and poetry, encouraging students to explore the power of words.

Envision

The entertainment club, hosts film screenings, sports, and concerts, offering students a fun break while fostering connection and cultural appreciation.

CLUBS

IMPRINT

The Photography Club, brings together photo and video enthusiasts to capture and share campus life through creative lenses, telling stories that freeze time and evoke emotion.

Rangmanch

The vibrant theatre club, brings stories to life with powerful performances. Guided by "Sada Natakaye Raho," it celebrates the joy and depth of human emotions through the art of theatre.

Zimfonia

The music club, brings students together through jams, karaoke, and workshops, enriching campus life with creativity and rhythm.

STUDENT RUN – VENTURES

Digigauge

Digigauge, a student-run venture at IMT Nagpur, offers transport services and merchandise, blending convenience with campus entrepreneurship.

Prayatna

Prayatna, a student-run cooperative store, offers food, essentials, and grooming services—bringing ease and community to campus life.

Zero Mile

A student-run venture, offers 24/7 transport and custom merchandise. It blends convenience with real-world learning in operations, marketing, and HR.

Campus Oxygen

A student-led venture offering laundry, fruits, and 24/7 printing—making campus life simpler and more convenient.

"Why are you doing an MBA?"

Back in 2011, I didn't have a deep answer — so I said, "Because it'll change my life."

Turns out, IMT Nagpur took that way more seriously than I did.

Those two years changed the way I think, work, and solve problems. IMT didn't just fill me with theories — it expanded my worldview, sharpened my decision-making, and taught me how to apply logic, empathy, and just good old common sense to real-world situations.

The Operations Management case studies were oddly addictive — they made me think in systems, not just silos. And Marketing? That's where I truly found my passion — understanding human behaviour, building ideas, and crafting narratives that stick. I still carry those lessons into every meeting, campaign, and strategy session.

Being part of the Marketing Forum gave me hands-on experience in event planning and execution — it felt like running live marketing campaigns, with all the chaos and creativity that came with it.

I was fortunate to be placed during campus placements, which gave me a fantastic launchpad for my career, but what I value even more are the friendships I built and the mindset IMT helped shape.

IMT didn't just help me become a better professional. It helped me become someone who questions better, solves smarter, and thinks bigger. And for that, I'll always be grateful.

Abhijeet Patil

(2011-2013)

Vice-President
GenieBook

My journey at IMT Nagpur has been truly transformative. The institute's customised course curriculum, combined with the exceptional quality of faculty, laid a solid foundation for my entry into the corporate world. What truly set IMT apart for me was its strong focus on experiential learning — both inside and outside the classroom. Real-time situations, live projects, and interactive pedagogy over those two years helped me develop not just technical knowledge but also critical thinking and decision-making skills.

Being an active member of multiple committees and forums gave me a platform to lead, collaborate, and execute, building the kind of leadership and interpersonal capabilities that are indispensable in today's competitive landscape. This 360-degree development, blending academics with rich extra-curricular exposure, has not only shaped me professionally but also given me an edge that continues to keep me ahead.

IMT Nagpur wasn't just a B-school for me — it was the launchpad for my corporate journey.

Goldy Goel

(2014-2016)

Marketing Manager
Blue Star

The wealth of knowledge I gained from esteemed faculty and the extensive library resources at IMT profoundly influenced my career path.

Working on frequent group projects with diverse individuals in IMT helped me collaborate with people of different skill sets. This experience taught me to leverage each person's strengths, boosting my confidence in leading teams at work.

I learned to work well under tight deadlines, prioritizing tasks and handling multiple responsibilities with speed and accuracy.

Mahima Dangi

(2014-2016)

Global Governance
Walmart

IMT Nagpur played a key role in shaping my career. The course curriculum is structured in a way that builds a strong foundation in core concepts, and the Learning Resource Centre, with its vast collection of books, greatly enhanced the learning experience. As someone who had never lived away from home, the vibrant campus life helped me grow immensely. I developed soft skills like communication, presentation, storytelling, and the importance of networking—not just in the classroom, but through active participation in extracurricular activities, forums, and committees. The values of perseverance, ethics, and striving for the best outcome have helped me seize multiple opportunities and contribute meaningfully across various roles.

Pushkar Bhawe

(2015-2017)

Assistant Vice President
Deutsche Bank

Pursuing my MBA has been one of the most transformative journeys of my life. My time at IMT Nagpur not only equipped me with strong business acumen and leadership skills but also instilled in me a deep sense of confidence, resilience, and purpose. The curriculum was thoughtfully designed, blending theoretical knowledge with real-world application, and the faculty's guidance was truly invaluable.

Beyond academics, the collaborative environment, diverse peer group, and dynamic campus life enriched my personal and professional growth. I had the opportunity to participate in industry projects, case competitions, and networking events, all of which expanded my horizons and prepared me for the challenges of the corporate world.

Looking back, I'm deeply grateful for the friendships, mentorship, and memories that this journey gave me. My MBA experience has been a cornerstone in shaping who I am today — both as a professional and as an individual.

Akansha Bhargava

(2012-2014)

AVP-2 Corporate & Investment Banking
IndusInd Bank

As a fresher, the curriculum at IMT Nagpur provided a well-rounded experience that truly helped me understand real-world corporate challenges and prepared me for the future role.

Being part of the Milestone Committee and Finaholics gave me hands-on experience in multitasking and collaborating with diverse teams while organizing both inter- and intra-college events. These experiences taught me how to prioritize effectively and manage time—skills that are essential in the corporate world.

Overall, IMT's esteemed faculty and comprehensive curriculum played a significant role in shaping not just my career, but the careers of many of my peers as well.

Gaurisha

(2012-2014)

Assistant Vice President
JP Morgan

My time at IMT-N was nothing short of life-changing. It transformed me from a timid, shy, and reserved individual to a confident, well-rounded, and informed person, ready to embark on the journey of life. On a personal level, it was my first experience of leaving my hometown and family, and it wasn't easy to begin with. However, within the first few weeks, I realized the significance of this move. I found myself surrounded by a plethora of talented batch-mates and seniors, from diverse backgrounds and walks of life, who were destined to change my outlook towards friendship, career, and life. The professors at IMT-N, with their unique methodologies, were poles apart from those I had encountered earlier in school and graduation. Here, the focus was always on the application of concepts, rather than merely memorizing definitions.

Through events like M34 and M35, I discovered the joy of working in groups, where everyone adds their own flair and touch to make the outcomes brilliant! I learned that pressure, an inevitable part of life, can be managed in more efficient and effective ways. I still draw inspiration from the all-nighters we pulled off during events and exams. Speaking of batch-mates, it's been nine years since we left the campus, and I still find the most comfort in talking to the same friends I made at IMT-N. It wouldn't be an exaggeration to say that this campus gave me a family that I am incredibly fortunate to have, and the network continues to grow! I am proud to see the alumni of IMT-N succeeding in their lives, whether they are doing great work in corporates or excelling in their entrepreneurial journeys.

I wish loads of success to all those who have been a part of, or are going to be a part of this wonderful institution. Our alumni have been, and will continue doing legendary work to keep the name and reputation of IMT-N alive and thriving.

Akshay Toplay

(2014-2016)
