In wisdom there is truth. In truth there is freedom. In freedom, innovation finds its home.

The Kirloskar story began in 1888 when Shri. Laxmanrao Kirloskar created for his community the country’s first iron plough. In dedicating his life to serving his community, he built a legacy that is the Kirloskar Group.

His son, Shri. Shantanurao Kirloskar, a true visionary, established the Kirloskar Institute of Management in 1991. Initially it functioned as an institute to train managerial staff, before the institute opened its door to the general public.

Today it is one of the world’s largest engineering conglomerates, serving diverse industries with strong research and development capabilities in every area of operation. With innovations that range from industrial engines, fuel-agnostic power solutions, advanced chiller technology, farm mechanisation tools, process gas systems and more, it enables industries to explore their limitless potential. The group also has a strong presence in solar energy, real estate and is globally acclaimed as the only company in Asia to have an integrated business model in the foundry industry.

Kirloskar Institute of Management embodies the Kirloskar spirit of commitment to excellence in empowering leaders of tomorrow.

Kirloskar Institute of Management **Nurturing Leaders, Ushering in an** **Era of Exceptional Leadership**

1991

Kirloskar Institute of Advanced Management Studies was established on the visionary principles of Mr. Shantanurao Laxmanrao Kirloskar. It was initially conceived as an MDP centre focused on promoting managerial and organisational excellence within the Kirloskar Group.

1998

Kirloskar Institute of Management broadened its scope by launching a two-year fully residential PGDM Programme in Harihar, designed to cultivate the leadership potential of young, talented individuals.

2010

Empowered by the achievements of its alumni, Kirloskar Institute of Management established a second campus in Pune. Both the Pune and Harihar campuses are accredited by the All India Council for Technical Education.

2025

NBA accredited from academic year 2025 to 2028.

Message from the Head of Corporate Relations Kirloskar Institute of Management

Kirloskar Institute of Management stands as a distinguished institution with over 25 years of shaping future leaders through innovation, academic excellence, and strong values. Established on the guiding principles of the Kirloskar Group, the institute reflects the Group's enduring belief that education is fundamental to progress. By equipping individuals with knowledge and skills, Kirloskar Institute of Management nurtures personal growth while contributing to the advancement of society and creating meaningful impact in the corporate world and beyond.

The fully residential PGDM campuses in Harihar and Pune offer a learning experience that is immersive, rigorous, and industry-relevant. The curriculum is thoughtfully designed to balance academic depth with real-world exposure, preparing students to navigate the complexities of today's dynamic business environment with confidence.

NBA accreditation stands as a strong affirmation of the institute's commitment to delivering outcome-based, industry-benchmarked management education. This recognition brings significant value to all stakeholders, including students, alumni, and recruiters.

Our goal is to position Kirloskar Institute of Management as a preferred destination—both for leading recruiters seeking future-ready talent and for students aspiring for a well-rounded management education that supports academic growth, personal development, and long-term career success.

To achieve this, industry integration remains at the core of our approach. We continually refine our curriculum and methodologies in alignment with the evolving needs of business and industry. This commitment is reflected in strategic initiatives such as:

- **Industry Immersion** through live projects, summer internships, and expert guest lectures by senior industry professionals and alumni.
- **Institutional Linkages** with reputed industry bodies including CII, MCCIA, NHRD, and NIPM, supported by the insights of our Governing and Academic Councils comprising respected business leaders.
- **Engagement with a Thriving Alumni Network** of over 2,500 professionals worldwide, actively contributing to mentoring, placements, and corporate engagement.

Our Corporate Relations Team, with an average of over 20 years of industry experience, plays a pivotal role in nurturing these connections. The team ensures professionalism, continuity, and process-driven execution to achieve strong placement outcomes. Complementing this, our in-house capability-building programme StEP (Student Enrichment Programme) ensures students are industry-ready in both skills and mindset.

Year after year, Kirloskar Institute of Management has built enduring relationships with recruiters who return to campus consistently, affirming the quality, consistency, and work ethic of our students. Alongside, the steady addition of marquee recruiters, start-ups, and new-age businesses reinforces the strength and relevance of our PGDM programme.

As we present the Placement Brochure for Academic Year 2025–2026, we take pride in our journey so far and reaffirm our commitment to creating value for all stakeholders in the years to come.

Mr. Shankar Rane
