## SLERF - CHRONOLOGY

- Sorn-Lalit Education and Research Foundation (SLERF) was established in May, 1996. Our academic activities under the aegis of this trust commenced from August 12, 1996 with the following two programmes :
- (i) Post Graduate Diploma in Business Management - Two years full time programme leading to the award of PGDM.
- (ii) Post Graduate Diploma in Business Management - Three years part-time programme leading to the award of PGDM.
- Both these programmes have been approved by All India Council for Technical Education (AICTE), a statutory body of the Government of India, New Delhi.
- 1996**
- 1997** The trust started Three years Under Graduate Programme leading to a degree of Bachelor of Business Administration (B.B.A.). This programme is affiliated to Gujarat University.
- 1998** The trust started another Two years Full Time Post Graduate Programme leading to the degree of Master of Business Administration (M.B.A.). On successful completion of this programme, the students are awarded the MBA degree of Gujarat Technological University.
- 1999** The trust started Three years Under Graduate Programme leading to a degree of Bachelor of Commerce (B. Com). This programme is affiliated to Gujarat University. In 1999, the trust also started Three years Under Graduate Programme leading to a degree of Bachelor of Computer Application (B.C.A.). This programme is affiliated to Gujarat University.
- 2000** The trust established a Partnership in Education with IBM to conduct computer related courses.
- 2001** The trust established its own Information Technology (I.T.) Centre for imparting programmes for I.T. Application in Management. The trust established Centre for Management Development Programmes. Holding series of seminars to expand horizon on sunrise business sectors are regular annual features of the centre. To facilitate all the above programmes and associated academic and support activities, the respective institutes are housed in the Foundation's own spacious building of about 55,000 sq. ft. located centrally in the city of Ahmedabad.
- 2001** The trust obtained a spacious plot of land measuring more than 6,000 sq. yards in Navrangpura Area, Near Sardar Patel Stadium – to develop another campus to provide quality education from Pre-Primary to Higher Secondary.

## SLERF - CHRONOLOGY

## VISION

To be an institution of choice in the field of management education for all stakeholders by promoting creativity, innovation, and excellence.

## MISSION

**M1:** To nurture students towards dynamic management professionals through excellence in management education and practice.

**M2:** To inculcate students with ethical values, attitudes, and human approach to become leaders and exemplary citizens.

**M3:** To engage in high quality research and consultancy in collaboration with institutions and industries.

## PEO STATEMENTS (PROGRAM EDUCATIONAL OBJECTIVES)

**PEO1:** To develop individuals to accomplish managerial and or leadership positions in their chosen fields.

**PEO2:** To foster critical thinking abilities towards data-based decision making in identifying and solving real-life critical business challenges.

**PEO3:** To prepare professional managers for the dynamic environment to solve and manage social and economic challenges.

## MANAGING TRUSTEE'S MESSAGE

At Som-Lalit Institute of Management Studies, we pride ourselves on being "Driven by Innovation, Anchored in Excellence." This philosophy is at the core of everything we do, from our curriculum, to our faculty, and most importantly, our students. We are committed to nurturing future leaders who are equipped with the skills, knowledge, and ethical grounding to excel in the ever-evolving global marketplace. We believe in transforming potential into limitless possibilities.

Since 1996, SLIMS has fostered a culture of excellence by providing resources, celebrating achievements, promoting collaboration with the industry and supporting research among all its stakeholders. This culture works as a catalyst for igniting innovation and achievement among students as well as faculties. The proactive approach creates an environment where individuals are empowered to dream big, work hard, and surpass their own expectations, ultimately contributing to the overall success and reputation holistically.

Through personalized mentoring by our faculties and exposure to cutting-edge technologies and industry practices, we ignite ambition in our students. We equip them with the tools, knowledge, and confidence necessary to dream bigger and aim higher than ever before.

Our team comprises experienced faculties, mentors, and industry experts who guide and motivate students as they navigate the complexities of their chosen field. In addition to the university's rigorous academic curriculum, our students engage in live projects, extra academic and non-academic workshops, sessions with industry experts, cultural activities, and CSR activities to ensure holistic development.

Our team of experienced faculties, mentors and industry experts serve as guides and motivators, helping students navigate the complex landscape of their chosen field. Apart from the vigorous academic curriculum prescribed by the university, our students are involved in live projects, additional academic and non-academic workshops, industry expert sessions, cultural activities, CSR activities ensuring holistic development.

We ignite the passion for success in our students through personalized guidance from our experienced faculty and exposure to the latest technologies and industry standards. Our goal is to equip them with the knowledge, tools, and the confidence to aim higher and dream bigger than ever before.

Our alumni network of over 4200 individuals from SLIMS are currently pursuing their careers worldwide in various industries and sectors. We are excited to present the 27th batch of students who are prepared to take their first step into the corporate world. We invite all stakeholders to collaborate with us in the pursuit of professional management education.

## FROM THE DESK OF DIRECTOR

It is with immense pride and enthusiasm that I introduce the 27th batch of our MBA program at Som-Lalit Institute of Management studies. As we embark on the journey of connecting our talented students with esteemed organizations, this brochure stands as a testament to our unwavering commitment to excellence, growth, and mutual success.

In today's fast-paced and competitive business environment, the pursuit of excellence is more than an aspiration—it is a necessity. At SLIMS, we recognize the importance of preparing our students for the myriad challenges and opportunities they will encounter. Our holistic approach to education goes beyond traditional learning, it involves fostering critical thinking, nurturing leadership potential, and honing the practical skills essential for success in the real world.

Our distinguished faculty, who serve not only as educators but also as mentors, play a crucial role in shaping our students into well-rounded professionals. Through innovative teaching methods such as flipped classrooms, role plays, reverse engineering, case studies, and practical industry examples, we ensure our students receive comprehensive exposure to contemporary business practices. Our strong connections with industry experts and alumni further enrich this learning experience.

Our rigorous academic curriculum is complemented by intensive internship programs, live projects, and a variety of workshops and seminars. These initiatives provide our students with invaluable real-world insights and prepare them to be industry-ready from day one. Additionally, our students actively participate in cultural events, CSR activities, and management games, fostering a sense of community and holistic development.

The strength of our institute lies in its vibrant student community, guided by the philosophy of being for the students, by the students, and of the students. Most of our major events and activities are student-driven, with minimal faculty intervention, which cultivates leadership and organizational skills.

As you peruse this brochure, you will find detailed profiles of our dynamic students, each of whom brings a unique blend of skills, knowledge, and enthusiasm. I am confident that they will make significant contributions to your organization and help drive your success.

We are grateful for your continued support and look forward to a lasting partnership. We eagerly anticipate your presence at our campus and the opportunity to collaborate with you.

Dr. Neha Patei

Director

## THE PEDAGOGY

The teaching methodology emphasizes interactive and participative learning through lectures, case studies, role plays, class presentations and simulation exercises. This necessarily entails extensive background reading and pre-class preparation. Eminent personalities from the industry are also invited to deliver lectures on different contemporary issues. Emphasis is also laid on teamwork through group exercises and group presentations.

## EVALUATION SYSTEM

The Institute believes in continual evaluation and feedback. It is a measure of performance and means for motivation. Evaluation is done through assignments, case analysis, quizzes, projects, class participation and two examinations every semester - a mid semester and an end semester exam.

Evaluation in MBA Programme is governed by guidelines and rules prescribed by Gujarat Technological University. The Letter grades range from AA to FF and a student who has failed in a course is given grade FF.

## LEARNING ENVIRONMENT

- Campus at prime locality and with ease of transportation from every corner of the city.
- Experienced and supportive faculties for the all-round development of Students.
- Interactive classroom sessions with audio visual presentations including smart board.
- Well-designed auditorium with capacity of 150 equipped with newer teaching technologies.
- Enriching sessions with student alumni and other business leaders
- Equal emphasis laid on extra-curricular activities and sports.
- Library with vast storage of books of renowned authors of Management and other streams
- Well-guarded campus with Security Guards and 24X7 CCTV Surveillance.

## SOM-LALIT ALUMNI ASSOCIATION - SLAA

Since its inception in 1996, our 4000+ students of SLERF -Som Lalit Institute of Business Management and Som Lalit Institute of Management Studies situated in diverse geographies of the world and working in different industries have one thing in common – they all have made us proud by being successful in whatever they have endeavored. We firmly believe that the success of the institute also depends on the success of its alumni. To strengthen the bond of the institute with the alumni, SLERF has tied up with AlmaShines- a renowned firm that has interacted with more than 250 Colleges from all tiers to strengthen the institute –alumni network by leveraging technology through the AlmaShines Alumni Portal. The Alumni portal would help our students to stay connected with batch/college mates and the institute.

## STUDENT EVENTS

**W**e at Som-Lalit Institute not only believe in academic excellence, but also do motivate and inspire students to gain practical knowledge to enhance their skills and capabilities. The students have brought many accolades to the institute by participating, with enthusiasm and excitement, in Inter College and Intra college events and activities such as Business Quiz, Summer Internship Project Competition, Digital Marketing and Motivational Workshops etc. They also manage different events held at our campus like Horizon and Spectrum. The institute arranges industrial visit to provide the students practical knowledge of their class-room learnings. Our students are not just the new face of excellence and talent for the country, but they also have brought the eternal new phase of glory to the institute.

### Horizon

Horizon, the annual extravaganza of the college, is the conjunction between the corporate world and students. Aiming to take advantage of the strategic synergies, the students come together, with an attempt to bring the cream of the corporate world on a common platform. This is in view of getting an insight into the various theories and practices that these eminent personalities possess. It is a platform to showcase the experience and skill sets that these business stalwarts have acquired over the years. The student body works extremely hard to provide exceptional management events and informative knowledge sharing sessions which cover a wide range of topics such as marketing, finance, strategy and entrepreneurship. Usually conducted in the first week of January, this event draws attention from various corporate houses and students all over the state thus proclaiming its overwhelming success.

### Spectrum

True to its name 'Spectrum', an intercollegiate management event, spreads its rays of vibrance by making it pass through a rigorous evaluation procedure under the critical eyes of judges belonging to renowned academic and corporate background. It is a platform for various B-Schools to participate and win accolades through healthy competition. It helps the students in accomplishing the desired standards in the dynamic corporate world. Aiming to tap the hidden potential and awakening the competitive spirit, Spectrum consists of a series of managerial games designed so as to replicate the actual corporate environment. Events like Biz-Quiz, financial and marketing games which test the management concepts are played with fervour and zeal by students of reputed B-Schools.

Panel discussions, Business Quiz, Entrepreneurship Fest, Industrial and Rural visits, Expert lectures, Debate and social initiatives like Blood donation camp and impactful association with old age home people as well as school students etc. are a glimpse of activities conducted by the institute. Along with participating in activities conducted by the Institute, students also represented the institute in various inter college competitions.

# STUDENT ACTIVITIES

## Events and Activities

## STUDENT CLUBS

### CULTURAL CLUB

The cultural club aims to organise various cultural events which helps students to connect with their cultural values, customs and traditions of our country. The cultural club gives a platform to students where they showcase their talent and they learn self-awareness, teamwork, collaboration, communication which will be helpful to them in moulding their personality. Apart from participating in the cultural events, the students also get experience of organizing and managing the events, and of course, it caters to the creative needs of the students.

### FINANCE CLUB

The finance club aims to conduct various activities related to the domain of finance. Its goal is to make students learn from practically applying the various financial concepts learnt in the class. It involves a plethora of activities like 'Stock market games', creating virtual portfolios using live company prices; role play on activities related fund-raising and investment advising, wealth planning and banking. It also plans for students to visit MSME units to understand the manufacturing process of the unit and financial aspects. Expert lectures from the field of finance and Union Budget discussion and analysis is also an important part of the club.

### MARKETING CLUB

The marketing club aims to offer the students a holistic experience of marketing via industry interaction and on campus/off campus activities. It aims to make students come up with creative thinking abilities in solving problems and marketing issues. To make students up-to-date of the current scenario and the happenings around them in the marketing space. It will provide and teach them techniques related to marketing which would help them be industry-ready. It will make students understand the importance of teamwork and make them realize their leadership qualities.

### SOCIAL CLUB: THE HELPING HAND

The objective of social club is to support development of the students and motivate them to become socially responsible business leaders. The Club shall work with faculty, students, alumni and companies to promote sustainable society by integration of social values. It shall provide the students a platform to work for a cause. The club shall create an environment wherein the students will embrace responsibilities to serve the society.

## STUDENT CLUBS

### ENTREPRENEURSHIP DEVELOPMENT AND ECONOMIC ACTIVITIES CLUB

Club on Entrepreneurship development and Economic Activities (CEDEA) is a club organises various programs for the development of Entrepreneurship among the students and moreover it conducts the Activities related to Economics to inculcate into the students the understanding regarding the micro as well as macro economics.

### QUIZ AND DEBATE CLUB

The quest for knowledge is a quintessential part of the management discipline. The Quiz and Debate Club at our institute is an effort to satiate this need of the student fraternity at SLIMS. Quizzes and debates on a wide range of topics including but not confined to general knowledge, the functional areas of marketing and finance, business environment in general etc. are held on a quarterly basis. The Quiz and Debate Club encourages the first year and second year MBA students to actively participate in organizing and conducting quizzes and debates and learn by sharing of knowledge therein.

### ANALYTICS CLUB

Business analytics aims to shape the strategy for business through reliable, factual insight rather than intuition. The club aims to facilitate the learning of financial and statistical concepts using software. This will enable students to solve and present research-based problems effectively. The club focuses to conduct different activities for the enhancement of financial knowledge and investment etiquette for students.

### MOVIE CLUB

The aim of this club is to discover the learnings in the classes and around with analytical and creative eyes. Currently, movies have become a big part of our lives and this club aims at creating a two-way learning- visual learning along with association of theoretical learnings and leisure learning. This club is dedicated to subject-wide film project presentations, educational movie workshops and is recognized in practical educational learning from various subjects. The purpose of this club is to have interaction and discussion bridging the gaps between shared learning and shared life. The movies screened focuses majorly on managerial skills.

# SUMMER PLACEMENT

Summer Internship Project (SIP) is an integral part of the academic curriculum of MBA at SLIMS. For the successful completion of the MBA programme, students have to undergo an SIP as per the prescribed format and duration as per the GTU guidelines. Students are required to work with an organization for hands on experience during the semester gap of Semester II and semester III. The students may carry their SIP training at the organization located within the geographical boundary of Gujarat/India/Foreign Country.

## OBJECTIVE:

### For the students :

- SIP aims at widening the student's perspective by providing an exposure to real life organizational environment and its various functional activities.
- This will enable the students to explore an industry/organization, build a relationship with a prospective employer, or simply hone their skills in a familiar field. SIP aims at widening the student's perspective by providing an exposure to real life organizational environment and its various functional activities.
- SIP also provides valuable knowledge and networking experience to the students. During the internship, the student has the chance to put whatever he/she learned in the first year of MBA into practice while working on a business plan or trying out a new industry, job function or organization.

### For the organization :

- The organization, in turn, benefits from the objective and unbiased perspective the student provides based on concepts and skills imbibed in the first year at the institute.
- An additional benefit that organizations may derive is the unique opportunity to evaluate the student from a long-term perspective. Thus the SIP may become a gateway for final placement of the students.

## Placement Procedure for Summer Trainees:

An organization can indicate their interest in providing summer training to the students of SLIMS through written or verbal correspondence. It may indicate the details of a specific project, if any, and/or general nature of summer project along with the profile of students required. The institute will send resumes of interested students, who qualify to meet the needs of the organization. The organization can make a selection based on the resumes. Organizations are welcome to the institute for the selection process or can invite students to their offices for the selection procedure. The organization is expected to communicate to the institute about the selected student and the details of the project to be undertaken by the student. The organization may pay a stipend to the trainee and/or reinforce the expenses incurred for the purpose of the project, as per the rules of the organization.
