PLACEMENT REPORT

MBA 2023 - 2025

ABOUT SCHOOL OF MANAGEMENT

At Mahindra University's School of Management, we are committed to developing the next generation of business leaders. Our carefully designed MBA program fosters a dynamic and future-ready learning environment, equipping students to navigate and lead in an increasingly technology-driven global economy.

We take pride in our academic collaborations with prestigious institutions such as Cornell University and the Frankfurt School of Finance and Management. These partnerships enrich our faculty, programs, and curriculum with a strong global perspective.

The School is dedicated to achieving excellence in both knowledge dissemination-through impactful teaching and practitioner-oriented writing-and knowledge creation, evidenced by research published in leading international peer-reviewed journals.

Reputed Brand & Leadership

Mahindra University is a not-for-profit, state-accredited degree-granting institution located in the vibrant city of Hyderabad, Telangana. Supported by the renowned Mahindra Group, the university benefits from the strategic oversight of a board comprising accomplished and experienced business leaders.

Our academic leadership brings exceptional credentials and global exposure, ensuring that the university is aligned with international standards and best practices in higher education.

MUSOM'S VISION

Mahindra University School of Management aspires to become a leading business school in India by developing ethical, innovative, entrepreneurial, technologically astute, culturally aware and socially conscious managers, leaders and scholars who will make a contribution to the development of the economy and society.

MUSOM'S MISSION

By 2035, MUSoM will be among India's top 10 business schools, with a significant societal impact.

Values: We will achieve this by maintaining high-quality, industry-relevant, technologically contemporary education, becoming a school of choice for students and faculty, and adhering to world-class education processes and learning.

LEADERSHIP

Anand Mahindra is the Chairman of the US \$19.4 billion Mahindra Group and the Executive Chairman of Mahindra & Mahindra Ltd. His tenure has seen the Group expand domestically and internationally into a range of major industrial sectors from automobiles and agriculture to IT and aerospace. He has served on the Global Board of Advisors of the Council on Foreign Relations, New York and the International Advisory Council of Singapore's Economic Development Board, among others. He is currently on the board of Invest India, the National Investment Promotion and Facilitation Agency.

Mr. Mahindra has been named in Barron's List of Top 30 CEOs worldwide (2016) and Fortune Magazine's list of the World's 50 Greatest Leaders (2014). He was appointed 'Knight in the National Order of the Legion of Honour' by the President of the French Republic (2016). Among his many social initiatives is the Nanhi Kali program, which has provided over 330,000 under-privileged girls access to high quality education. He has undergraduate and graduate degrees from Harvard University.

Anand Mahindra
Chancellor

LEADERSHIP

Dr. Yajulu Medury

Vice Chancellor

Dr. Medury is an acclaimed academician and a seasoned professional with more than three decades of academic and administrative experience. He believes that the 'Education' sector has been his calling and feels privileged to have been involved with it all his life. For Dr. Medury, "we can only reap the benefits of our demographic dividend if we educate our youngsters and skill them adequately to survive and flourish in the very competitive global arena". He opines that, today, more than ever, there is a need for quality education to ensure that students can help bring greater honors to our country. Dr. Medury is the founding Vice Chancellor of Mahindra University and VIT University, Vellore. He was the Vice Chancellor of Jaypee University of IT, Himachal Pradesh and successfully.

Dr. Yajulu Medury Vice Chancellor established 3 Universities (2 State and 1 Deemed) between 2001 and 2003. He has held many senior positions in various companies, besides being Member of several Academic Committees/ Governing Council. He is a BTech graduate from IIT Kharagpur and a PhD from University of Wisconsin at Madison.

Dr. Anadi Saran Pande

Dean, School of Management

Prof. Anadi Pande is a unique amalgam of Industry and Academia. He has served as a Professor of Strategic Management at IIM Lucknow, earning the 'Best Teacher' award twice. He has published in national and international journals and has presented papers at prestigious conferences, including the Academy of Management, Boston. He played a key role in establishing IIM Jammu as its Convener, establishing infrastructure, academic processes, and successful placements. Additionally, he built up IIM Lucknow Incubator, growing it to support around 200 startups.

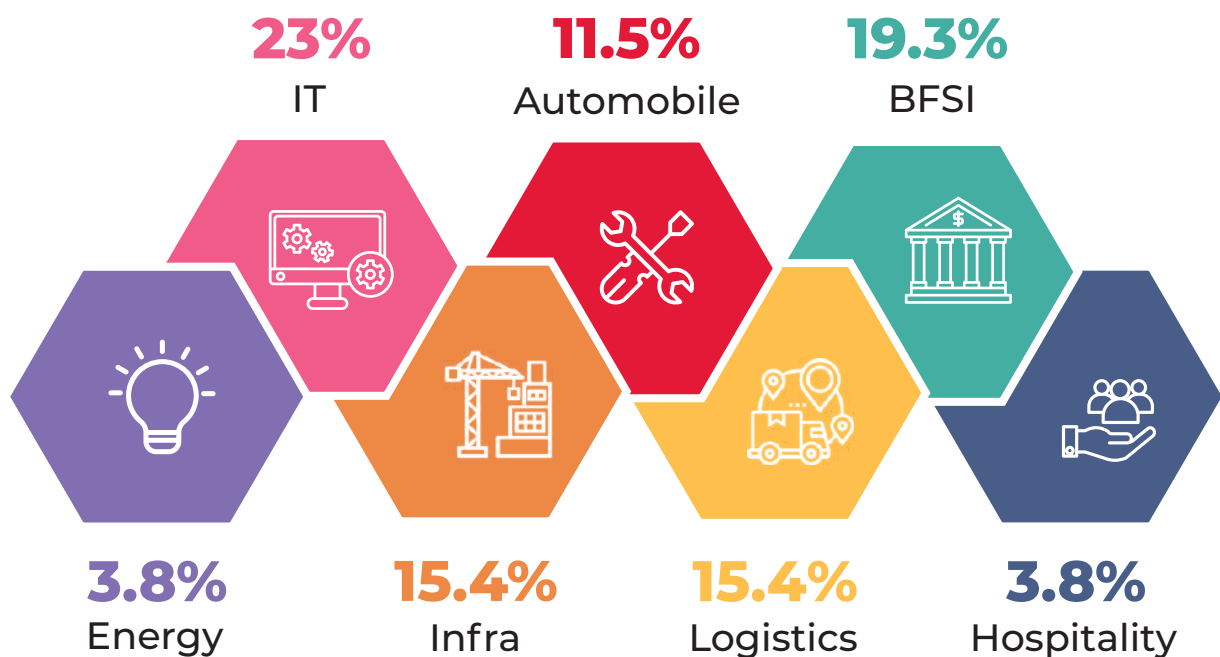

In his corporate career, he worked in leadership roles with Tata Motors, Hero MotoCorp, Larsen & Toubro, and Hero Cycles. His achievements include setting up Tata Motors, Lucknow plant, Hero Honda's Haridwar plant, leading the separation negotiations with Honda at Hero MotoCorp and overseeing the acquisition of Avocet Sports in the UK. Major functional areas of his contribution have been Corporate Strategy, HRM, and Operations. He has experience of successfully negotiating wage settlements with four unions in various companies. He also serves as an independent director on the boards of Indian companies.

Prof. Pande is an alumnus of IIT-Varanasi BHU (B.Tech. (Hons.)), DBM (Pune University) and Ph.D. (Lucknow University).

Message from Placement Committee Faculty

At the School of Management, Mahindra University, we view placements not merely as a culmination, but as a continuation of a student's journey from classroom insights to real-world impact. Our MBA program is shaped by a unique blend of academic rigor, technological fluency, and strong industry immersion. As a faculty member with deep roots in both academia and the corporate world, I have had the privilege of closely observing how our students evolve into capable, responsible, and future-ready professionals.

The Class of 2023-2025 have showcased this transformation powerfully. Their achievements stem not only from what they learn, but how they learn—through data-driven decision-making, critical problem-solving, and meaningful engagement with industry mentors. We are grateful to our recruiting partners for recognizing the potential of this inaugural cohort, and we remain committed to nurturing talent that adds long-term value to organizations and society alike.

We welcome your continued support in shaping tomorrow's business leaders.

Message from the Head, Career Services

At Mahindra University's School of Management, we are proud to present a cohort of MBA students who exemplify excellence, innovation, and industry-readiness. The Class of 2023–2025, our inaugural MBA batch, has set a remarkable precedent by securing placements with leading organisations across diverse sectors. Their success reflects the strength of our globally informed curriculum, experiential learning model, and emphasis on digital and entrepreneurial competencies.

Our MBA program is designed to meet the evolving demands of the global business landscape. Pedagogically, we emphasise experiential learning through live projects, simulations, case-based teaching, and capstone projects. Our students also benefit from international immersion programs to Germany, where they engage with global corporations like BMW and IBM and explore innovation ecosystems and academic institutions like the Technical University of Munich and Frankfurt School of Finance & Management.

Initiatives like Samanvaya, our flagship industry-academia conclave, and Pinnacle Perspectives, our leadership talk series, provide students with direct exposure to CXOs, entrepreneurs, and thought leaders. These platforms foster strategic thinking, industry alignment, and professional growth.

Our students bring not only strong analytical and leadership skills but also a deep understanding of emerging technologies and global business dynamics.

We look forward to building lasting relationships with corporate partners who share our vision of nurturing next-generation business leaders.

Warm regards,

(Dr.) Sathish Chandra Velpula
