Officiating Vice Chancellor's Message

Jamia Millia Islamia, an A⁺ Grade Central University in National Assessment and Accreditation Council (NAAC), was founded in 1920. The men and women who set up this historic institution over a century ago were impassioned with the idea of starting a 'national' university that would espouse the cause of the yet unborn country. This was synergized by the Father of the Nation, Mahatma Gandhi's fervid call to boycott the colonial system of education. Born in the turbulent times of the Raj, Jamia's founders strengthened Gandhiji's call by starting a new system of education, famously called the 'Nai Taleem', a pedagogical experimentation that would nurture modernity and tradition, and foster an ideal of a university education that rests on the notions of social conscience, fraternity and nation-building.

Upholding its rich and enduring legacy, Jamia has in the last few years outshone in all major national and international rankings. In the second cycle of NAAC assessment in 2021, Jamia received the coveted A++ grade. The university has retained 3rd position in 'Universities Category' in the National Institutional Ranking Framework (NIRF) India Rankings 2023 for the second consecutive year. In international rankings, JMI achieved a major milestone by securing a position among the top 10 institutions in India in the Times Higher Education (THE) Asia University Rankings-2023.

With 11 faculties of learning, 44 teaching and research departments, over 30 centers of research and teaching, offering as many as 190 courses to over 20,000 students, JMI today attracts the brightest young minds from all over the country and globally. The university with its 800 faculty members provides an extraordinary blend of high-quality intellectual training and mentorship, on the one hand, and inclusive and engaging learning environment, on the other, to actualize their potential. It is to the credit of JMI faculty and administration that the university navigated through the unprecedented challenges posed by the COVID-19 global pandemic with an extraordinary degree of resilience and adaptability.

In sync with its progressive principles, the university is working tirelessly to realize the goals of the National Education Policy (NEP-2020) introduced by the Government of India. I am happy to inform you that JMI has already aligned its courses and curricula with NEP's emphasis on holistic and multidisciplinary education and the university is all set to roll out its first courses under NEP from the academic year 2024-25.

I would like to congratulate the Deans of Faculties, Head of Departments, Directors of Centres, faculty members, the members of Prospectus Committee and all other stakeholders of JMI on their successful preparation and launch of the prospectus for the academic session, 2024-25.

I am confident that JMI will attract exceptional talent from across the length and breadth of this country and beyond. May we continue to move steadfast in our commitment to attaining academic excellence and push the boundaries to not only redefine education but to contribute meaningfully to our society and nation!

1. Establishment

Jamia Millia Islamia, a Public Central University; established in 1920, originally at Aligarh in United Provinces which in 1925 initially moved to Karol Bagh, Delhi and later built up in Jamia Nagar. In 1988, it became the Central University by an Act of Parliament and since then it is expanding in different directions achieving the new dimensions.

The University is the result of the tireless efforts of its founders i.e. Shaikhul Hind Maulana Mahmud Hasan, Maulana Muhammad Ali Jauhar, Hakim Ajmal Khan, Dr. Mukhtar Ahmad Ansari, Jenab Abdul Majeed Khwaja and Dr. Zakir Husain. It symbolizes the unflinching and resolute commitment of these great visionaries in bringing about socio-economic transformation of common masses in general and Muslims in particular, through the vehicle of education. The distinct identity of Jamia Millia Islamia has been eloquently explicated by Dr. Zakir Husain Sahib.

Jamia Millia Islamia is basically originated as the movement of a struggle for education and cultural renaissance against the colonial regime and evolves a national culture for common Indian. 1.5 Significance of the Logo

Right on the top is a star with the inscription - Allah-O-Akbar. When in dark nights poor travellers have to travel jungles and there is no one to show them the way, they chart their course with the help of stars. The star of Allah-O-Akbar is the guiding star of Jamia. Jamia focus is on this star which shows it the path in the darkling world. It reflects the truth that Allah is the greatest and we bow the head before Him only, discovers the truth. Having bowed before Him, how can the head bow before anything else? Beneath this glittering star is a book with the inscription, *Allammal Insaana Maalam Yalam* (Taught man that which he knew not). This is a verse from the Holy Quran. Through the Holy Quran, Allah has revealed His Will to His differences of caste, class, colour, of master and slave, and became true to His tenets. This book led from darkness to light, and placed the wayward and lost on the Straight Path. The Prophet made an example of his own life. By the light of his eyes and the warmth of his heart, He prepared a group of good persons who cleaned the world of evil and spread the Word of God. On both sides of the Book are two date trees signifies typical of the land where God's last Prophet was born. They are symbolic of the barren valley in which nothing grew; but it was there that the sapling of din took root. These trees are emblems of hope from a land in which not a leaf or flower could sprout; but wherein suddenly the springs of hidaya (guidance) burst forth and drenched the communities of the heart. They are a source of consolation for people who became disheartened with adverse circumstances. Why do external factors make them lose hope?

At the very bottom is a tiny crescent which reads - *Jamia Millia Islamia* in Arabic. This crescent is small but just as it expands to become the full moon on the fourteenth night, so also Jamia. Meaning that this is the beginning of our work. It will expand to become the full moon and a source of delight for the eye of its beholder.

Choice Based Credit System

Jamia Millia Islamia has introduced Choice Based Credit System (CBCS) at both Undergraduate and Postgraduate levels with effect from the session 2015-2016. This system is intended to provide students a wide diversity of subjects from which they can choose what they really like and have aptitude for, apart from the core subject they have chosen. The flexibility inherent in the system will allow students to acquire a rounded personality by choosing subjects across disciplines and mediums. The University would like to encourage interdisciplinary among students in their studies and research. To facilitate this, a cumulative list of courses that will run under CBCS is being provided. Students are advised to go through the list carefully so that they can make an informed choice. Course Advisors in all departments may be contacted for advice or any other help related to the CBCS. List of program advisors is available [here](#).

The courses under Choice Based Credit System offered for various programs are classified under the following categories:

Program (Total Credits)	Qualifying Courses	Compulsory Courses	Core Courses (Hons.) & Subsidiary)	Core Courses	Choice Based Courses (Elective)	Skill Enhancement Courses(SEC)	Ability Enhancement Compulsory Courses (AECC)
