Theme – Building Bridges Breaking Barriers

At Indira Institute of Management Pune, we recognize the significance of transcending limitations, overcoming challenges and unlocking new opportunities. As we welcome you to embark on our journey of academic excellence we present to you the theme for this year, "Building Bridges; Breaking Barriers." The theme signifies our commitment to go beyond conventional limitations and unlock the full potential of every student who walks through our doors.

We recognize that true leaders have the power to break barriers and challenge the status quo. Our MBA program emphasizes the cultivation of a mindset that encourages innovative thinking, disrupts outdated practices, and paves the way for transformative change. The Institute provides a vibrant ecosystem of diverse network of faculty, industry partnerships, guest lectures, workshops, and internships, allowing you to connect with industry leaders and build networks that span beyond the classroom. Through industry-driven curriculum & assessments, projects, and collaborative learning experiences, we provide our students with ample opportunities to apply their skills, learn from real-world challenges, and make a lasting impact.

At Indira Institute of Management, we strive to equip our students with the knowledge, skills, and mindset required to create bridges where others see obstacles and break barriers that hold back progress.

► FROM CHAIRPERSON'S DESK

“Education is not the learning of facts,
but the training of the mind to think.”

- Albert Einstein

The MBA program at our esteemed institution is an immersive experience designed to equip you with the skills, insights, and perspectives necessary to excel in the dynamic business landscape of today and tomorrow. This experience is not limited to the classroom alone. It extends beyond the confines of traditional education to encompass a holistic development of your skills, character, and leadership potential. We believe in nurturing well-rounded individuals who possess not only business acumen but also ethical values, global perspectives, and a commitment to social responsibility.

I invite you to embark on a transformative journey that will shape your future in profound ways. We eagerly await the opportunity to welcome you at our Institute and witness the incredible achievements you will accomplish.

I wish you all the very best as you begin this transformative chapter in your lives. I have no doubt that each one of you has the potential to make a significant impact in the business world and beyond. Embrace the opportunities, embrace the challenges, and embrace your potential as future leaders.

Dr. Tarita Shankar

Chairperson,

Indira Group of Institutes, Pune

► EXECUTIVE DIRECTOR'S MESSAGE

"The MBA program is not just a degree, but a transformative journey that empowers individuals to become visionary leaders and catalysts for positive change in the business world."

Welcome to our Prestigious MBA program. As the Director of this program, it gives me immense pleasure to introduce you to an educational experience that goes far beyond traditional boundaries, empowering you to become the leaders of tomorrow.

At the heart of our MBA program lies a commitment to excellence, innovation, and real-world impact. We have meticulously crafted a curriculum that blends cutting-edge business theories with practical applications, preparing you to tackle the challenges of today's dynamic and globalized business environment.

Our faculty, comprised of distinguished scholars and industry experts, bring a wealth of knowledge and experience to the classroom. They are dedicated to nurturing your intellectual curiosity, challenging your assumptions, and fostering a spirit of critical thinking. Through engaging lectures, lively discussions, and field projects, you will be equipped with the skills and insights needed to make informed decisions and drive organizational success. We provide a supportive and collaborative environment where you will have ample opportunities to engage with your peers, participate in group projects, and learn from one another's diverse experiences and perspectives.

Our commitment to your holistic development goes beyond the academic sphere. We offer a range of extracurricular activities, industry engagement, and leadership development programs to nurture your personal growth and enhance your soft skills. From guest speaker sessions to workshops, from solving complex business challenges to community outreach initiatives, you will have the chance to expand your horizons, test your abilities, and make a positive impact on society.

We eagerly await your presence in our classrooms, halls, and corridors, ready to support and guide you every step of the way. I look forward to welcoming you to our institution and witnessing your remarkable achievements.

With Best Wishes,
Dr. Pandit Mali

► WHY INDIRA INSTITUTE OF MANAGEMENT?

Indira Institute of Management Pune (IIMP) is the flagship institute of Shree Chanakya Education Society. IIMP is an autonomous institute affiliated to Savitribai Phule Pune University (SPPU). The institute offers MBA and BBA Program.

IIMP is the very first management institute in Pune and third in Maharashtra to be accredited by the National Board of Accreditation (NBA), New Delhi for MBA Program. It is re-accredited for the fourth time up to June 2023. The recent grant of autonomy for its MBA Programme in the year 2019 is yet another feather in its cap.

Its focus on academic excellence, industry relevance, and overall student development makes it stand out from other management institutes and prepares its students to become successful business leaders.

By fostering a vibrant learning environment, encouraging innovation, and providing ample opportunities for personal and professional growth, the Indira Institute of Management has carved a niche for itself in the realm of education. Its relentless pursuit of excellence and unwavering commitment to its students' success have earned it a prominent place among the leading educational institutions in the country.

IIMP aims to continue to be a Centre of academic excellence in the field of management education with the purpose of developing socially responsible business leaders and entrepreneurs, who are global citizens and will help in creating a world that will uphold and preserve humanity beyond religion and gender.

- To develop managers and entrepreneurs by promoting a learning environment that encourages knowledge inquisitiveness, creative thinking, systems thinking and social intelligence.
- To contribute to the human capital requirement of the industry by enhancing the employability of the graduates.
- To sensitize the graduates towards work ethics and social responsibility.
- To foster strategic alliance with industry for research and its application.

► MBA PROGRAM DETAILS

"It is widely acknowledged that rapid economic growth relies heavily on the presence of highly skilled managers and leaders who can drive development across all sectors. In India, the advancement of management education has played a crucial role in facilitating this progress. This advancement has reached diverse segments of society within the realms of academia and industry. However, as time progresses, the methods that have worked wonders in the past are bound to become obsolete. Therefore, it is imperative to develop new and improved courses that can be customized to align with the interests of both the industry and students.

At IIMP we focus on Value Based Education because of its diversity, profound cultural base, collective thinking and possession of self-respect. IIMP is the flagship institute of Shree Chanakya Education Society's (SCES's) - Indira Group of Institutes offering the MBA Program:

MBA Program (affiliated to Savitribai Phule Pune University) is Autonomous from Academic Year 2019-20.

The MBA program at IIMP is developed and defined with the help of IIMP's Governance Philosophy and with the focus of today's corporate understanding. Program Educational Objectives (PEO) for the course are therefore summarized as:

PROGRAM EDUCATIONAL OBJECTIVES

PEO1	An MBA Graduate will exhibit System Thinking Approach in integrating core, cross-functional and inter-disciplinary aspects of Management leading to organizational excellence.
PEO2	An MBA Graduate will be a solution driven leader, demonstrating creativity and innovativeness, in decision making process working effectively with multi-cultural teams, for providing solutions to complex business problems.
PEO3	An MBA Graduate will be able to articulate and communicate, effectively, on complex aspects of management with the business community and society at large.
PEO4	An MBA Graduate will showcase value centered leadership by possessing strong ethical and humane values, enabling him/her to assume a pivotal role in various sectors of the Indian and Global Economy.
PEO5	An MBA Graduate will remain competent consistently with required knowledge, skills and right attitude, necessary to become catalyst for change, in a volatile and technology-driven global environment

► "VIDYA LAKSHMI PORTAL"

Shri Arun Jaitley, Honorable Union Finance Minister in his budget speech for FY 2015-16 said: "India is one of the youngest nations in the world with more than 54% of the total population below 25 years of age. Our young people have to be both, educated and employable for the jobs of the 21st century. The Prime Minister has explained how Skill India needs to be closely coordinated with Make in India. Yet, today less than 5% of our potential workforce gets formal skill training to be employable and stay employable.

To enable all poor and middle-class students to pursue higher education of their choice without any constraint of funds, I propose to set up a fully IT-based Student Financial Aid Authority to administer and monitor Scholarship as well as Educational Loan Schemes, through the Pradhan Mantri Vidya Lakshmi Karyakram. We will ensure that no student misses out on higher education for lack of funds. The IT-based mechanism under the Pradhan Mantri Vidya Lakshmi Karyakram is expected to provide to students a single window electronic platform for Scholarships and Educational Loans."

Vidya Lakshmi is a first-of-its-kind portal for students seeking Education loans. This portal has been developed under the guidance of the Department of Financial Services, (Ministry of Finance), Department of Higher Education (Ministry of Education) and Indian Banks Association (IBA). The portal has been developed and being maintained by NSDL e-Governance Infrastructure Limited. Students can view, apply and track the education loan applications to banks anytime, anywhere by accessing the portal. The portal also provides linkages to National Scholarship Port

RESOURCE CENTRES:

LIBRARY

The IIMP Library has two floors, each housing a selection of journals, management books, self-development books, textbooks, and reference materials. It is a multimedia information hub that gives users access to about 32,000 print books and 23,000 eBooks from publishers including Pearson, Tata McGraw Hill, Cambridge University Press, and Oxford University Press. Students can access numerous subscribed databases, UGC-Care listed publications, Sage eJournals, and other resources that aid in learning and project preparation. The library is fully atomized with a biometric attendance system and Koha cloud based library management software for library operations.

Every month there are book summaries and journal abstracting services provided to students and faculty via email, to keep them updated with current publications in their subject interest. Institutional membership of National Digital Library, NLIST, DELNET, MCCA, CII, and ASSOCHAM helps students to participate in their workshops and seminars. Students are given training on -how to access eResources, databases, and membership benefits, twice a year.

The library is fully digitalized with the Koha International Software accessibility to all the collections and e-resources. The Students and Faculty can access eBooks, e-journals, case studies, video lectures, etc. through NDL, NLIST, and DELNET subscriptions.

The library is updated by adding the latest textbooks, reference books, management journals, and Government Reports as per the demands of faculty, industry, and students continuously. Regular training on the accessibility of e-resources and assistance by Library staff is provided to the users.

Library Webpage: <https://sites.google.com/site/iimplibrary/home> offers hi-tech

It was my immense fortune to be a part of IIMP, Pune. The entire faculty and department leave no stone unturned to shape one's future. Even during the COVID-19 pandemic, the institute made every attempt to support our total academic and personal development. IIMP gives you every opportunity to research the career you want to pursue. I have immense respect, love, and devotion for the entire faculty and department. It is their efforts that have made me a better professional.

Indira Institute of Management, Pune offered outstanding job placement assistance, ensuring a smooth transition into the professional world. The college's unique teaching approach, which emphasizes interactive and enjoyable learning, set it apart from conventional institutions and made my educational experience truly enriching.

Indira Institute of Management has given me tons of opportunities to enhance my life skills. I entered IIMP with the dream to be a successful person in my life. And now I can surely say that IIMP has set a solid base for the same. It is not only about academic or professional life, but IIMP has molded me into a better person as well. IIMP has a significant role in my personality development. The Technical analysis and certification courses offered like Financial Modelling by IMS Pro school have helped me to improve my skills. I am sure all the activities will help me a lot in my work life.

The staff was always immensely helpful and energetic, they never refused to help us in the lockdown times when we all were adapting to the new normal. They have always motivated us in every step. The wide range of various extracurricular activities like the Heartfulness essay competition by the United Nations which I got involved, has refined my communication skills.

Overall, it has been an amazing experience here at Indira Institute of Management and I will always be thankful to the institute for providing us with different platforms in various stages of our course.

► ALUMNI NARRATIVES

As an international student, I was initially nervous about studying abroad, but the support and guidance from the professors and staff at Indira Institute of Management made my experience unique and rewarding. Throughout my two years of study, the professors challenged me to think critically and creatively, which helped me develop a deeper understanding of financial concepts and their real-world implications. The course structure was carefully designed to foster both academic and practical learning, with a curriculum that was comprehensive and relevant to current market trends. I appreciated that the program was structured to enhance both theoretical and practical learning, providing me with ample opportunities to apply what I learned in the classroom to real-life scenarios.

The cultural experience at the institute was unforgettable. The student body was diverse and welcoming, and the faculty was supportive and inclusive. I felt at home away from home and had the opportunity to learn and grow from various cultures, which broadened my perspective and enriched my overall learning experience.

Overall, Indira Institute of Management provided the perfect platform for me to pursue my academic aspirations and personal growth. I am grateful for the exceptional education, practical experience, and cultural exposure that I received during my time at the institute.

My two years at IIMP for the MBA program were truly unforgettable and transformative. Autonomous Institute offered an exceptional course structure and modern learning facilities that helped me build a strong foundation in management. The CLDP program, a highlight of my MBA journey, bridged the industry-campus gap and honed essential skills like problem-solving and teamwork. Participating in CLDP helped me develop essential soft skills, interpersonal skills, and problem-solving abilities. The program also emphasized the importance of teamwork, positive attitude building, and making work fun. The CLDP trainers played a vital role in our growth and development. They were approachable and provided individual attention, ensuring our holistic grooming. Their guidance and valuable input before placement drives were invaluable in securing placement opportunities. During my internship at ITC Ltd, the skills learned through the CLDP program proved immensely beneficial. It enabled me to identify the root cause of problems assigned by my manager and propose effective solutions. I'm grateful to the IIMP team for this life-changing platform, which prepared me for my corporate career. The program's impact on my holistic development and competitive edge is something I'll always cherish.

Pursuing an MBA in IIMP has proven a great decision for me. IIMP for me is something more than just an institute I graduated from. I had the opportunity to learn through highly interactive and engaging lectures by in-house and visiting professors with experience in both industry and academia. Not only this but IIMP also provided me the opportunity to interact with industry leaders and executives during the course through its unique 'Career Leadership development program' that is CLDP. Under this program, we had some very useful certificate courses and the sessions from the industry people, which equipped me with the knowledge of current trends in industry and the valuable insights from the trainers.

It involved various activities which helped me to improve my soft skills like personality, communication, leadership qualities, problem solving, etc. As an OSCM student, Six Sigma Green Belt certification training and certification training from 'Indian Institute of Materials Management' ensured that I have theoretical and practical knowledge of the field. This program added lot of value in me, provided me a platform to interact with industry people, which not only boosted my confidence during the placement process but also helped me to build my network. Even today, while working in corporate, this knowledge gives an edge over the others. I thank the entire IIMP team for providing us with such a great program and ensure the overall growth of the students.

➤ ALUMNI NARRATIVES

I am proud to say that Indira Institute of Management has played a pivotal role in shaping my career and personal growth.

The faculty members at Indira Institute of Management are truly remarkable. Their expertise, dedication, and passion for teaching created an enriching learning environment. One aspect that sets Indira Institute of Management apart is its strong industry connections and robust placement support.

Having a shift to a learn-from-home model during challenging times of pandemic, IIMP demonstrated unwavering commitment and ensured a seamless continuation of our education. The faculty and staff at IIMP swiftly adapted to the new normal, embracing technology to deliver high-quality education remotely. IIMP went above and beyond in ensuring that our MBA experience was not limited to academic pursuits alone. Despite the physical limitations, IIMP organized numerous cultural events and activities that brought the student community together. The college's commitment to our growth and development was evident in the comprehensive curriculum, which incorporated industry-relevant case studies, guest lectures, and interactive workshops. IIMP not only provided me with a strong foundation of business knowledge but also instilled in me the resilience and adaptability necessary to thrive in corporate world. I highly recommend IIMP to aspiring MBA students seeking a college that upholds excellence in education, fosters a vibrant campus culture, and provides unwavering support.

► DISCIPLINARY POLICY AT IIMP

ATTENDANCE

The Students of IIMP are required to maintain a minimum of 85% attendance every semester. Any student failing to meet the above standard is liable to get his or her term cancelled and in addition will not be allowed to participate in the Campus Recruitment Program. Feedback based on the monthly monitoring of attendance helps students maintain the minimum required attendance. Every student is informed about his/her attendance through ERP Accounts provided by the institute.

DRESS CODE

At IIMP, we believe in inculcating a sense of discipline and belongingness in the students by observing a strict dress code. Students are expected to wear formal dress (Shirt, trousers and tie for gents, sari/salwar kameez/western formals for ladies) throughout the week. One day in a week will be designated as a "Casual Day". This day is decided depending upon the academic calendar of the students. When guest lectures, seminars etc. are scheduled, students are expected to be dressed in IIMP Uniform (Blazers, Tie, Shirt, trousers). A student failing to adhere to the dress code will not be allowed to attend the lectures and will face disciplinary action.

HOSTEL RULES

The boys' and girls' hostels at Indira have a set of rules which must be adhered to strictly by the students. Each hostel is headed by a warden who acts as a facilitator and observer to maintain the discipline in the hostels and ensure its smooth functioning. Students opting to stay in the hostel will have to sign an undertaking in acceptance of the rules set by the management. Ragging of any type will not be accepted and the concerned student's admission would be cancelled immediately.

DRUG /ALCOHOL POLICY

Students of IIMP must abstain from drugs and alcohol during their stay at the institute. Violation of this policy will lead to cancellation of admission.

▶ STUDENT GRIEVANCE REDRESSAL CELL

According to the AICTE's Establishment of Mechanism for Grievance Redressal, Regulation 2012, the Grievance Redressal Committee has been constituted with the objective of resolving the grievances of students, parents, and others. All the aggrieved students, their parents and others may henceforth approach the Grievance Redressal Committee.

The Institute has constituted a Grievance Redressal Committee as per the AICTE Notification dated 25th May 2012. This committee will investigate grievances (as defined in the AICTE regulation for Establishment of mechanism for Grievance Redressal 2012). Any aggrieved student, their parents can approach the Grievance Redressal Committee of the institution in the first instance. The established "Registry" of this institute is headed by Dr. Pandit Mali, Director, Indira Institute of Management Pune and Dr. Pallavi Sajanapwar, Deputy Director, Indira Institute of Management Pune, whom the aggrieved student or person may make an application seeking redressal of grievance.

Following are the members of the committee for the year 2023-2024:

▶ ANTI- RAGGING COMMITTEE

ACTION AGAINST RAGGING

At Indira, we follow a strict policy against Ragging and any activity resembling to it. Ragging is totally banned and anyone found guilty of ragging and /or abetting ragging is liable to be punished.

Ragging is also Prohibited as per the decision of the Honorable Supreme Court of India and directions have been given vide SLP No. 24295 of 2006 dtd 16-05-2007 and in Civil Appeal number 887 of 2009, dtd 08-05-2009. Maharashtra Prohibition of Ragging Act 1999 which is in effect from 15th May 1999 has following provisions for Action against Ragging. Ragging is Prohibited as per the decision

of the Supreme Court of India in Writ Petition No. (C) 656/1998. AICTE has framed regulation which has been notified vide F.No.37-3/Legal/AICTE/2009 dated July 1, 2009 (available on AICTE web portal at WWW.AICTE-india.org) Grievance>Anti-Ragging) on curbing the menace of ragging.

Ragging within and outside of any educational Institution is prohibited. Whosoever directly or indirectly commits, participates in, abets, or propagates ragging within or outside Educational Institution shall, on conviction, be punished with imprisonment for a term up to 2 years and/ or penalty, which may extend to ten thousand rupees.

Any student convicted of an offence of ragging shall be dismissed from educational institute and such student shall not be admitted in any other educational institute for a period of five years from the date of order of such dismissal.

At Indira, we have comprehensive mechanism to curb the menace of ragging and policy of Zero Tolerance is followed by the management against Ragging. A committee is constituted at institute level which ensures compliance with the provisions of the law and takes necessary action on students' grievances, if any. All students & their parents must submit anti ragging undertaking at time of admission on stamp paper.

▶ INDIRAPRENEUR CELL

“Entrepreneurs take the route less traversed.”

Indirapreneur Cell of IIMP, since its inception in year 2008 has always believed in this philosophy, while working in next decade of operation, since its inception.

Indirapreneur Cell was founded with the aim of promoting entrepreneurial ecosystem to facilitate the mentoring and handholding of budding entrepreneurs. Today it has evolved its working wings in following dimensions:

- In house Entrepreneurs
- Alumni Entrepreneurs
- Community Entrepreneurs

The journey of Indirapreneur Cell, so far, has seen many initiatives like:

▶ Institutional Partnership with

MoE's Institution's Innovation Cell Initiative - IIC activities like workshops for entrepreneurs and Impact lecture series with grants.

BHAU Incubation Centre, COEP, Pune.

Entrepreneurship Development Institute of India (EDII) for conducting Workshops

- ▶ Building in-house mentoring expertise by training
- ▶ Collaborating with outside experts of training & investment field
- ▶ Collaboration with in-house incubation Centre of Indira Group of Institutes
- ▶ Annual Business Plan Festival – BIG IDEA
- ▶ Interactive mentoring session by enthusiastic Entrepreneurs.

Business Plan Workshop:

Business Plan Mentoring Workshop Conducted for a Business Plan Competition on 25-02-2023.

IIC MoE granted Impact Lecture Series:

In Collaboration with Institution Innovation Council, MoE, The Impact Lecture Series was conducted in July 2022 to promote startup and innovation amongst students and aspiring entrepreneurs with the support of IIC of MoE, GOI, with four guest sessions of experts of this fields. Over 200 students participated during the entire series.

My Story Sessions of Entrepreneurs:

An initiative by the E Cell to motivate budding student entrepreneurs- One such session was done by Mr. Sumedh Battewar Co-Founder of EMotorad, an E-Byke startup (and Alumnus of IIMP)

➤ POST GRADUATE RESEARCH CENTRE (PGRC)

In the present education scenario, there is need of good academicians/professionals and researchers who can impart current knowledge of the respective disciplines to the students with updated tools and techniques and are specialized in the field of research especially in the field of management. It was noted that, though there are many aspirants for the degree of Ph. D in Management, because of shortage of recognized available guides and time-consuming registration procedure, many aspirants are unable to proceed ahead towards fulfilling their dreams. SCES's IIMP has excelled in the field of Management Research since 2007, by creating a centre for research and registering students for Ph.D in Management. The centre is recognized by Savitribai Phule Pune University (Formerly University of Pune). PGRC provides guidance to the Ph.D students in the following areas of specialization:

- 1) Human Resource Management
- 2) Finance Management
- 3) Marketing Management
- 4) Computer Management

Out of the 65 students registered for PhD at IIMP, 20 have been awarded, 08 have withdrawn and 37 students are currently pursuing their PhD under various subjects. 12 guides are currently associated with IIMP.

PGRC also organizes workshops, National Level and State Level Seminars and Symposiums for its Ph.D. students and faculty members.

In 2022 – 2023, IIMP organized SPPU mandated 10 days PhD coursework Part 1 which was attended by 42 PhD students pursuing their PhD at various centres affiliated to SPPU.

► CO-CURRICULAR AND EXTRA CURRICULAR ACTIVITIES

Outdoor Management Training

OMT (Outdoor Management Training) is a unique Training program designed for the students of Indira Group of Institutes wherein the focus shifts from the classroom to Mother Nature, who is an expert teacher herself. OMT aims to build one's leadership skills, teamwork abilities, decision making skills, crisis management skills. It promotes the holistic development of the student through a series of adventure and outdoor experiences like trekking, rappelling, rock climbing & canoeing. Today OMT is widely recognized by the corporate sector as an effective training technique for developing the personality of their executives. Indira has introduced this program with a view to provide an edge to its students

Mentoring

Indira passionately believes in moulding the future managers by providing personal guidance in their development. Towards this end, a mentoring program has been institutionalized to counsel the students on the key attributes that they need to focus on, to become effective managers and future leaders. The program also covers issues connected with the recruitment and selection process of managers and how the students can confidently face such processes.

Abhivyakti

Indira Institute of Management has come up with a unique concept termed as "Abhivyakti" which started in the year 2016.

Abhivyakti is a blend of 3 different activities Book Review, Sectorial Presentation and Business Quiz conducted on Saturdays. Book Review & Sectorial Presentation activities are presented in groups assigned to the students. All the groups participate in each of the activity to make learning a great success.

Book Review: 12 books are identified for this activity. Each group is given 3 books on which they need to submit a written report and prepare a presentation without PowerPoint.

Sectorial Presentation: In sectorial Presentation, each group study the sectors and present the report. Here, the students get first-hand knowledge about various sectors and the current market trends in these sectors.

Business Quiz: To inculcate the habit of reading and to remain updated in this fast paced world, Online business quiz was introduced. The quiz will be conducted by MINT.

Industry Visits

The industry visits plays a crucial role in bridging the gap between theory and practice. As part of its commitment to providing students with a holistic learning experience, IIMP organizes industry visits to renowned companies. These visits offer students the opportunity to witness real-world operations, gain industry insights, and develop a deeper understanding of business practices thereby enriching their learning experience.

The industry visit generally begins with an orientation session where students are provided with an overview of the company's background, its industry presence, and its core competencies. The students then embark on a guided tour of the company's facilities, where they witness firsthand the operational aspects of the business.

Glimpses of Industry Visits:

Career and Leadership Development Programs

Business environment is experiencing radical and rapid changes. The business climate has undergone a tremendous change since liberalization of Indian economy. As rightly said by Robert Kaplan, today's business is passing through the information age as against the earlier industrial age. No wonder if expectations of industry from academic institutions, especially management institutions, have risen to substantial heights. Career and Leadership Development Programme (CLDP) is a systematic programme designed by IIMP to expose the students to the latest concepts in various subjects, current trends in the industry and innovative practices followed by the established managers.

The program includes workshop, seminars and certification courses. The seminars and workshops can be Developmental and Co-curricular. Developmental seminars represent the extension of academics covering latest developments and current trends within the subject. While Co-curricular events are intended towards the practical inputs which are not covered in the University syllabus but are required for sustainable development and growth of the students.

In the first year a common program is done for all the students. It covers aspects like familiarization with each specialization, personality development and characteristics of a budding manager. It makes sure that the young bright students are ready to become an energetic, matured future manager

In the second year, the program is bifurcated according to the specialization (like Marketing, Finance or Human resource etc.) chosen by the students. Specialized inputs are given as per the current requirements of the industry for each specialization to prepare the students to get a head start in their career.

► SOCIAL INITIATIVES AT INDIRA

There is a conscious effort at the Institute to inspire the students to take responsibility and initiatives in the Social Segment. A series of activities are planned which will be helpful for the society as a whole and create a holistic development by sensitizing students towards Health, Gender and Environmental matters by inculcating beliefs that are driven for the betterment of the society. Some of the activities were successfully executed in association with various NGOs.

The Institute has introduced an elective course wherein students have to participate in some CSR projects of the NGO assigned to them. The students were engaged in teaching differently abled and slum children. They were happy to work on Social Media marketing, content writing, visits to the projects and CSR coordination. The students were also engaged in spreading awareness about blood donation and women defence in nearby societies. The students worked hard to reconnect with nature and helped in creating a dense urban forest. Some students joined NGO who promoted healthy life style by encouraging sustainable practices in waste management. The students were sensitized by providing help, imbibe a sense of empathy and to work for overall wellbeing of needy animals.

► SAMPARC Heritage Walk

We at IIMP strongly believe that "We rise by lifting others." To inculcate this quality in Students we have participated in the SAMPARC Heritage walk, a unique initiative that aims to promote cultural heritage and social development in India. It was 7.2 km walk along the Forts and Caves of Maval Taluka, 50 students participated in this walk from IIMP along with more than 10000 participants. The proceeds from this walk are utilized for the inmates of SAMPARC, which stands for Social Action for Manpower Creation, a non-governmental organization dedicated to improving the lives of underprivileged children and communities.
