Manipal University Jaipur

The Manipal Education & Medical Group, with its heritage of excellence in higher education for over 71 years, launched Manipal University Jaipur (MUJ) in the year 2011. Manipal University Jaipur - A multi-disciplinary university accredited with A+ Grade by NAAC is committed to nurturing talent and strengthening academics & research by adopting unique & innovative practices.

Manipal University Jaipur offers multitude of programs in all three, i.e., traditional, professional, and technical domains at undergraduate, postgraduate and doctoral levels across diverse streams, including Engineering, Architecture, Fashion Design, Interior Design, Fine Arts, Hospitality, Humanities, Journalism & Mass Communication, Basic Sciences, Law, Business & Commerce, Management, Computer Applications, Hotel Management and Social Sciences. Currently more than 14000+ students from diverse backgrounds across India and abroad are already enrolled across various programs. The team of 650+ faculty members having excellent academic profiles and strong research background is the asset of the university.

Over the last decade, Manipal University Jaipur (MUJ) has emerged as a go to destination for students, who are looking for academic education that can help them leave their mark in the Industry, Academia and Research. Over the years, the University has also gained trust and respect of the leading industry players, especially recruiters.

“The fundamental strength of Manipal University Jaipur (MUJ) not only comes from its national and international reputation demonstrated through prestigious Times Higher Education (THE), QS and NIRF ranking, 14000+ students base, distinguished alumni, 650+ faculty members, strong industry connect but also from its conducive ecosystem which promotes multidisciplinary teaching-learning, cutting-edge research and capacity building through training and outreach. We as a part of Manipal Educational Group who has outstanding legacy of approximately 70 years in education, MUJ offers a wide array of courses across undergraduate, postgraduate, and doctoral levels in diverse fields such as Management, Law, Commerce, Engineering, Architecture, Design, Science, Humanities etc. The Faculty of Management and Commerce (FoMC) is the second largest faculty of the university which offers meticulously designed undergraduate and postgraduate programs in Management and Commerce. The FoMC is well known for its unique pedagogy including case methodology, simulation, experimental exercises, and role plays, industry connect and action-based learning through various internships, live projects and distinguished guest lectures from industry and academia. I urge you to explore different programs of the FoMC which is situated at the beautiful campus of MUJ, Jaipur, Rajasthan.”

Testimonials

Laxmi Gurjar
Batch 2023-25

Joining MBA program at TSB was a game-changer for me as a fresher. The engaging classes, mentorship & industry exposure open doors to a world of possibilities. The supportive community & hands-on learning approach made my transition into the business realm seamless. Excited for the journey ahead!

Mayank Keshan
Batch 2023-25

As a participant in the winter study tour to Ajman University, I can confidently say it was the highlight of my academic journey. The collaborative atmosphere, engaging lectures, and exposure to the vibrant culture of the UAE made this program stand out. During the tour thrilling desert safari, was a once-in-a-lifetime experience. It was a perfect blend of education and adventure, leaving a lasting impact on my college experience. From engaging lectures to the exhilarating adventure in the desert, every aspect of the program was carefully curated. It not only enhanced my academic understanding but also provided unforgettable cultural and recreational moments.

Parth Sharma
Batch 2023-25

The study tour was not just about books; it was a journey of self-discovery. Engaging lectures, interactive sessions, and site visits made learning dynamic and left a lasting impact on my perspective. Ajman University helped us to understand the foreign study culture and interact with the international students from Jordan, Egypt, Palestine etc. We learned some great managing skills from the students coordinator there. It was overall a great experience with the team as they were with us all the time guiding us.

Sudhair Rajwarohit
Batch 2023-25

My experience in the winter study tour 2k24 was fabulous. I saw the beautiful campus of Ajman University It had all the diverse courses ranging from business to engineering, architecture etc. The industrial tour were great; we met new diverse people, who shared their vast knowledge with us and improved our learning. I enjoyed the visit to the Bhuj Khalifa the most, being at the 124 floor was an amazing and breathtaking experience and i got some awesome pictures clicked there. It was a lovely visit to Dubai and being on this tour.

Abhishek Bhattacharya
Batch 2023-25

The winter study tour to Ajman University was a perfect blend of academic exploration and cultural immersion. The support in fostering connections with industry leaders greatly enhanced my academic experience. I am grateful for the opportunities to engage with professionals in the Gulf drug industry during my academic journey. The hands-on activities and interactions with faculty enriched my academic journey, making it a memorable and impactful winter study program.

Dulah Shah
Batch 2023-25

MBA with TSB is one of the best decision of my life. It helped me to develop my skill, and gain clarity of thoughts and confidence.

Varnika Malik
Batch 2022-24
