Campus Life

STATE-OF-THE-ART INFRASTRUCTURE

Lords houses two different campuses - North & South featuring **AC, smart classrooms, sports ground, labs, and hostels.**

HOUSING & DINING

We have **air-conditioned, separate boys and girls hostels.** For healthy living, our mess is always fully-sanitised where we provide nutritious meals to the students **4-times a day.**

ART & CULTURE

We have a **fully-equipped dance studio, theatre room, and an art room** where you are free to explore. The classes are held regularly with 100% assistance from the faculty members that help you pursue your area of interest.

LIBRARIES

With **10+ libraries** across our campuses, all of them cater to different needs. Our Central Library boasts **25,000+ books, 2,750 reference books and titles, & 30+ journals** on various subjects.

SPORTS FACILITIES

Our campus boasts of **volleyball, basketball, badminton courts alongside cricket, table tennis, football ground, and swimming pool** with opportunities to participate in various All India inter-university tournaments & state-level competitions.

LABS

25+ advanced, R&D labs that are fully equipped to cater to your different needs. We are also one of the few universities to offer **HPLC & UV Spectroscopy machines** for our Pharmacy students.

Training & Placement

Training & Placement Cell works to provide right opportunity for right candidate at right time. Frequent pre-placement training/workshops/seminars for students are conducted from time to time.

About

Located in a peaceful and pristine scenery of Alwar, the elaborately spread campus of Lords University comes as a much-welcomed change. A self-financed private university, Lords University is an endeavour of the Chachan Education & Welfare Society, Chikani, Alwar.

At Lords University, we aim to not only facilitate the intellectual, social, and ethical learning processes of the young and aspiring minds of the country but also strive to synergistically work towards the common goal of making a propitious difference in their lives.
