DEPARTMENT OF COMMERCE **2026-27** AND FACULTY OF COMMERCE & BUSINESS

Department of Commerce

Established in December 1967, the Department of Commerce, Delhi School of Economics, University of Delhi, has consistently upheld the DSE legacy of excellence in teaching, research, and innovation. Over the years, it has emerged as one of the country's leading centers for higher learning in business and commerce. The Department introduced the Master of Finance and Control (MFC) programme in 1987, which was later reorganized as MBA (Financial Management) in 2015. In response to evolving industry needs, two specialized programmes—Master of Human Resource and Organizational Development (MHROD) and Master of International Business (MIB)—were launched in 1995 and later renamed as MBA (HRD) and MBA (IB) in 2014. Recently, to strengthen its industry interface, the Department initiated a new MBA (Business Analytics) programme in 2023-24, equipping students with analytical and data-driven decision-making skills. With a blend of academic rigor and practical orientation, the Department continues to redefine commerce education in India.

Faculty of Commerce and Business

The Faculty of Commerce and Business was established in 1993, bringing together the Department of Commerce and the Department of Financial Studies under a unified academic structure. This integration aimed to promote excellence in interdisciplinary teaching, research, and professional education across the fields of business, finance, and management. The Faculty pioneered innovative programmes such as the Master of Finance and Control (MFC), which set benchmarks in financial education and was later reorganized as MBA (Financial Management). In 2019, the Faculty was reconstituted as a single-department faculty, consolidating its focus under the Department of Commerce. This restructuring enhanced academic collaboration and strengthened its contribution to contemporary business education. Upholding the Delhi School of Economics tradition of intellectual pursuit, the Faculty continues to nurture capable professionals and leaders for the global business environment.
