Guided by the vision of preparing future-ready leaders, JBS emphasizes not only academic distinction but also values, ethics, and a deep sense of responsibility towards society and the nation. In an era defined by rapid technological change and global interconnectedness, our endeavor is to equip students with intellectual rigor, professional competence, and an entrepreneurial outlook that enable them to lead with confidence and integrity. I firmly believe that JBS will continue to be a hub of knowledge creation and dissemination, shaping individuals who contribute meaningfully to business, industry, and the larger cause of nation-building.

From the Pro-Chancellor's Desk

Prof. (Dr.) S.C. Saxena

Jaypee Business School stands as a symbol of our commitment to fostering quality education that bridges knowledge with practice. Our focus is to create an environment where students are encouraged to think critically, innovate fearlessly, and lead responsibly. At JBS, we believe that management education must go beyond classrooms, preparing students to adapt to global challenges while remaining rooted in ethical values and societal responsibility. With our dedicated faculty, industry-aligned curriculum, and emphasis on holistic development, we aspire to nurture professionals who are not only successful in their careers but also catalysts of positive change in the world.

From CEO's Desk

Shri Manu Bhaskar Gaur

We are pleased to note that this year has witnessed an encouraging increase in student enrollments. This growth is a testament to the credibility of our programs and the trust we have earned in delivering high-quality business education. To further enhance the learning experience, we have introduced advanced laboratories, strengthened digital platforms, and expanded cocurricular opportunities through the establishment of new clubs and societies. We have also significantly boosted our international collaborations. As we continue this journey of transformation, I extend my gratitude to our faculty, staff, and students for their unwavering contributions. Together, let us uphold the values of integrity, innovation, and inclusiveness that define Jaypee Business School.

From Director's, JBS Desk

Prof. (Dr.) Anubha Vashisht

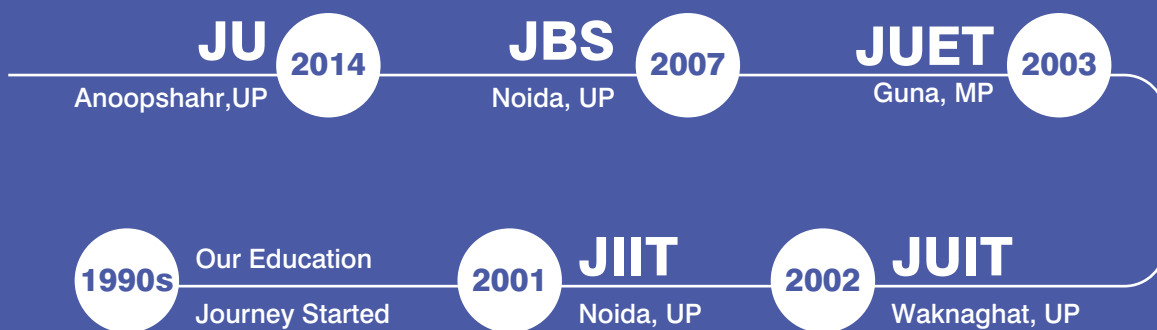

This year, our corridors feel even more alive, as we welcome a growing number of students into the JBS community. Each new learner brings fresh energy, new perspectives, and unique talents that make our campus more vibrant and dynamic than ever before. To match this enthusiasm, we've introduced new labs, student clubs, and activity forums that go beyond academics, giving students more avenues to innovate, collaborate, and lead.

As we step into this new phase of growth, I invite each of you to embrace change, seek opportunities, and contribute to the vibrant ecosystem that makes JBS unique.

ABOUT JAYPEE EDUCATION SYSTEM

The Jaypee Group is committed to “growth with a humane face” and, in line with this philosophy, has established the Jaiprakash Sewa Sansthan (JSS), a not-for-profit trust dedicated to socio-economic development and alleviating pain and distress within society. For over fifty years, the Jaypee Group has supported the socio-economic progress of its surrounding communities, ensuring that individuals facing economic and educational disadvantages benefit from the Group’s initiatives. These support efforts include providing education, healthcare, and additional resources aimed at local development. The Group implements the Comprehensive Rural Development Programme (CRDP), which encompasses projects such as free medical camps, health screenings for school children, literacy drives, access to safe drinking water, construction of large water reservoirs in various villages, and self-employment programs like tailoring classes for women and animal husbandry. JSS advances its social responsibility by establishing schools and training institutes to deliver quality education to rural populations. Additionally, the trust provides aid during natural disasters to assist affected communities. In 2001, Jaiprakash Sewa Sansthan founded JIIT with the objective of delivering quality higher education to society.
