Director's Message

**Dr. Giribala
Dewasthale**

DES' JS Kothari Business School is part of the century old Deccan Education Society (DES) established by Lokmanya Tilak and other stalwarts of India's freedom struggle. It is one of the largest educational conglomerates in western India having under its umbrella, schools and colleges delivering courses across different domains including Humanities, Science, Commerce, Law, Nursing, Physiotherapy, Agri-Business, Media, and Management.

Our programme enables students to be academically sound in concepts and theories as well as learn to adapt and apply these in a variety of experiential and immersive learning contexts. This includes our Global and Social Immersion Programmes; Corporate Internships, and Experiential learning working in Student Committees. We have one of the best faculty-student ratios leading to personalized learning experiences for our students.

Our industry relevant certifications enable students to be equipped with the latest knowledge and skills in their domain. Our students come from various graduation streams and from different parts of the country and this diversity we believe enhances their learning experience at JSKBS. Our fully equipped Training & Placement Cell is dedicated to facilitating various pre-placement activities. Our efforts include a range of initiatives designed to empower our students with the skills and knowledge they need to excel. We conduct orientation programs, grooming sessions, and mock interview sessions for our PGDM students.

JSKBS students are down to earth performers. We believe that their positive approach and zeal to contribute will make them a valuable asset for your organization. We extend a warm invitation to you to visit our campus at your earliest convenience for Campus Placements for the batch of 2024-26 and look forward to a fruitful and mutually beneficial relationship with your organization.

- Dr. Giribala Dewasthale
In-Charge Director, JSKBS

TPO's Message

The Training & Placement cell of JSKBS is an integral part of academics which helps in shaping the students' careers. As JSKBS was established in 2018 it has made it trademark to reach out to 200 companies to date. The Training & Placement cell works as an integrated partner with academics to provide the best work environment. The main motive for us is to provide students with an appropriate workplace.

The cell explores different specialisation areas for placement opportunities it plays and maintains the interface with industries for Summer internships and Final Placement Programs. The students have undergone certifications in softskills & selling which have enhanced their skills & helped them grow into confident professionals. In their respective fields of specialization, these individuals have honed their skills and are now eager to step into the corporate world.

Our students bring more than just academic excellence; they bring fresh perspectives, innovative ideas, and a drive to make a difference. In today's fast-paced and ever-evolving corporate landscape, adaptability and creativity are paramount. Our students understand this well and are ready to face the challenges of the corporate world head-on.

They have been nurtured in an environment that encourages critical thinking, problem-solving, and teamwork. As you consider our talented pool of graduates, envision the positive impact they can have on your organization. We are confident that they will not only meet your expectations but exceed them.

Our recruiters like HDFC Bank, Kotak Bank, Rajputana Steel, Prince Pipes, Kirtane & Pandit, Ipca Labs, Union Mutual Funds, SASP Advisers, Monetonic, Echoboom Technologies, Samsan Labs, among others. We look forward to a long & fruitful association with you.

- Dr. Parikshit Mahankal
Training Placement Officer, JSKBS

DES Founders

The Deccan Education Society (DES), founded in Pune in 1884, is a prestigious educational group with a rich history spanning over 139 years. Established by five patriotic visionaries, DES was initially aimed at nurturing leaders for India's industrial growth and promoting accessible education. Over the years, DES has expanded its reach, establishing and nurturing a network of over 60 educational institutions across various fields. Renowned names like Fergusson College, BMCC, and Kirti M Doongursee College are just a few examples of the exceptional institutions under the DES umbrella.

DES's enduring commitment to academic excellence has been a cornerstone of its success for over 69 years. The society's dedication to providing quality education has not only shaped countless individuals but has also contributed significantly to the intellectual and cultural landscape of India.

About J. S. Kothari Business School

The two-year full-time PGDM program at S Kothari Business School is approved by AICTE, New Delhi. JSKBS fosters an innovative, modern, and technology-driven environment. Our focus is on knowledge, following a holistic approach to education.

We believe in providing not just lessons, but a deeper understanding to every student, ensuring high-quality education. Utilizing the latest innovative technologies, we strive to bring out the best in our students, empowering them to navigate every phase of their life's journey.

Life @ JSKBS

SAMVAD

An event aimed at promoting meaningful connections between students and experienced HR professionals. During the HR Summit, students acquired valuable insights into the complexities of corporate culture by engaging in discussions with HR experts from various fields.

A platform where professionals from various industries engage with students, sharing valuable insights about the corporate world and providing guidance on exciting career opportunities. "Participated in integrated personality development."

Social immersion is the engagement deeply with a community so as to gain mastery of their culture, problems, and needs. It is through active participation, empathy, and collaboration as means of gaining insights that lead to meaningful and impactful change.

Global Immersion

The Global Immersion program in Malaysia for PGDM students was an enriching learning experience that blended academic, cultural and industrial visits. The college offered an excellent opportunity for students to explore prestigious companies such as Royal Selangor, Benzz Ethicoda chocolate factory Malaysia & Batik factory Malaysia. The program provided practical insights into the business environment of Malaysia, exposure to diverse cultural experiences, and opportunities for academic collaboration. It effectively contributed to the students' personal and professional development, broadening their perspectives and deepening their understanding of global business practices.

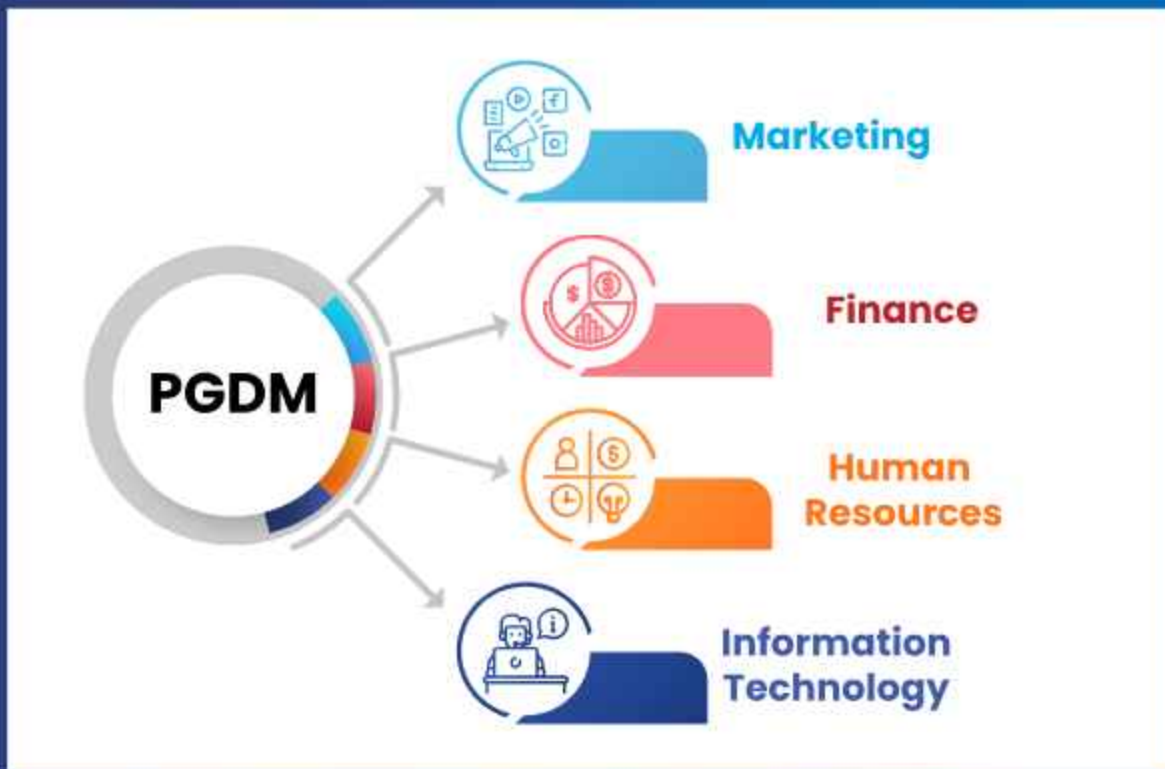

Reading Inspiration Day

Reading Inspiration Day celebrates the power of books to inspire, educate, and transform lives. It's a reminder to embrace literature's ability to spark creativity, ignite curiosity, and expand our understanding of the world.

Specializations Offered at JSKBS

At JSKBS, we are committed to cultivating a diverse set of skills and equipping students with the resources they need to thrive in their selected fields. Our tailored programs are carefully designed to impart the knowledge, skills, and confidence essential for success in today's highly competitive job market.

Internship Program

In the two-year PGDM program, students must complete a two-month internship to gain exposure to the corporate world.

This internship offers several key benefits :

Application of Theoretical Knowledge : Students can put into practice the concepts learned in the classroom during their internship experience.

Skill Enhancement: The internship allows students to develop and refine crucial professional skills essential for success in a corporate environment.

A primary goal of the two-month internship is to help students build self-awareness, confidence, and interpersonal skills needed to tackle real-world challenges in the corporate sector.
