### **Late Shankarraoji Kolhe Saheb**

Former Minister,  
Government of Maharashtra

Late Shri. Shankarrao Genuji Kolhe, a dedicated philanthropist, devoted his entire life to the economic and social advancement of rural communities through education and industrialization. Revered as a visionary, educator, and social entrepreneur, he brought joy to millions of farmers by establishing 23 educational institutes and twelve cooperative industries.

Recognizing the importance of quality education for the offspring of farmers, he founded the Sanjivani Rural Education Society in 1983. Under its auspices, he introduced Polytechnic and Engineering courses. Today, the Sanjivani Rural Education Society oversees 23 institutes spanning from playgroup to Ph.D., including Polytechnic, Engineering, Management, Pharmacy, Medical, Arts, Science and Commerce College, Junior colleges, International Schools, CBSE Schools, Sainiki School and Adivashi Ashram School. Currently, 14619 students are enrolled, supported by a team of 1495 educators and support staff.

His commitment to public service was also evident through his three terms as a Cabinet Minister in the Government of Maharashtra. In various ministerial roles, including revenue and transport, he made substantial contributions. He served as a Member of the Legislative Assembly (MLA) for Maharashtra from 1972 to 1999.

## Chairman's Desk

**Hon. Shri. Nitinrao Shankarao Kolhe**  
Chairman  
Sanjivani Rural Education Society

We aim to uplift the rural students in academic excellence particularly in the field of Science and Technology. Pharmaceutical Sciences is the backbone of health care system all over the globe. We wish to contribute to this noble system through high-quality education as well as research. We are also very concerned about our role in social contribution. In this regard, I am happy that the group is doing well in various social activities. Our motto is to promote professionalism, team spirit, social and ethical commitment to boost leadership roles assisting improvement in health care.

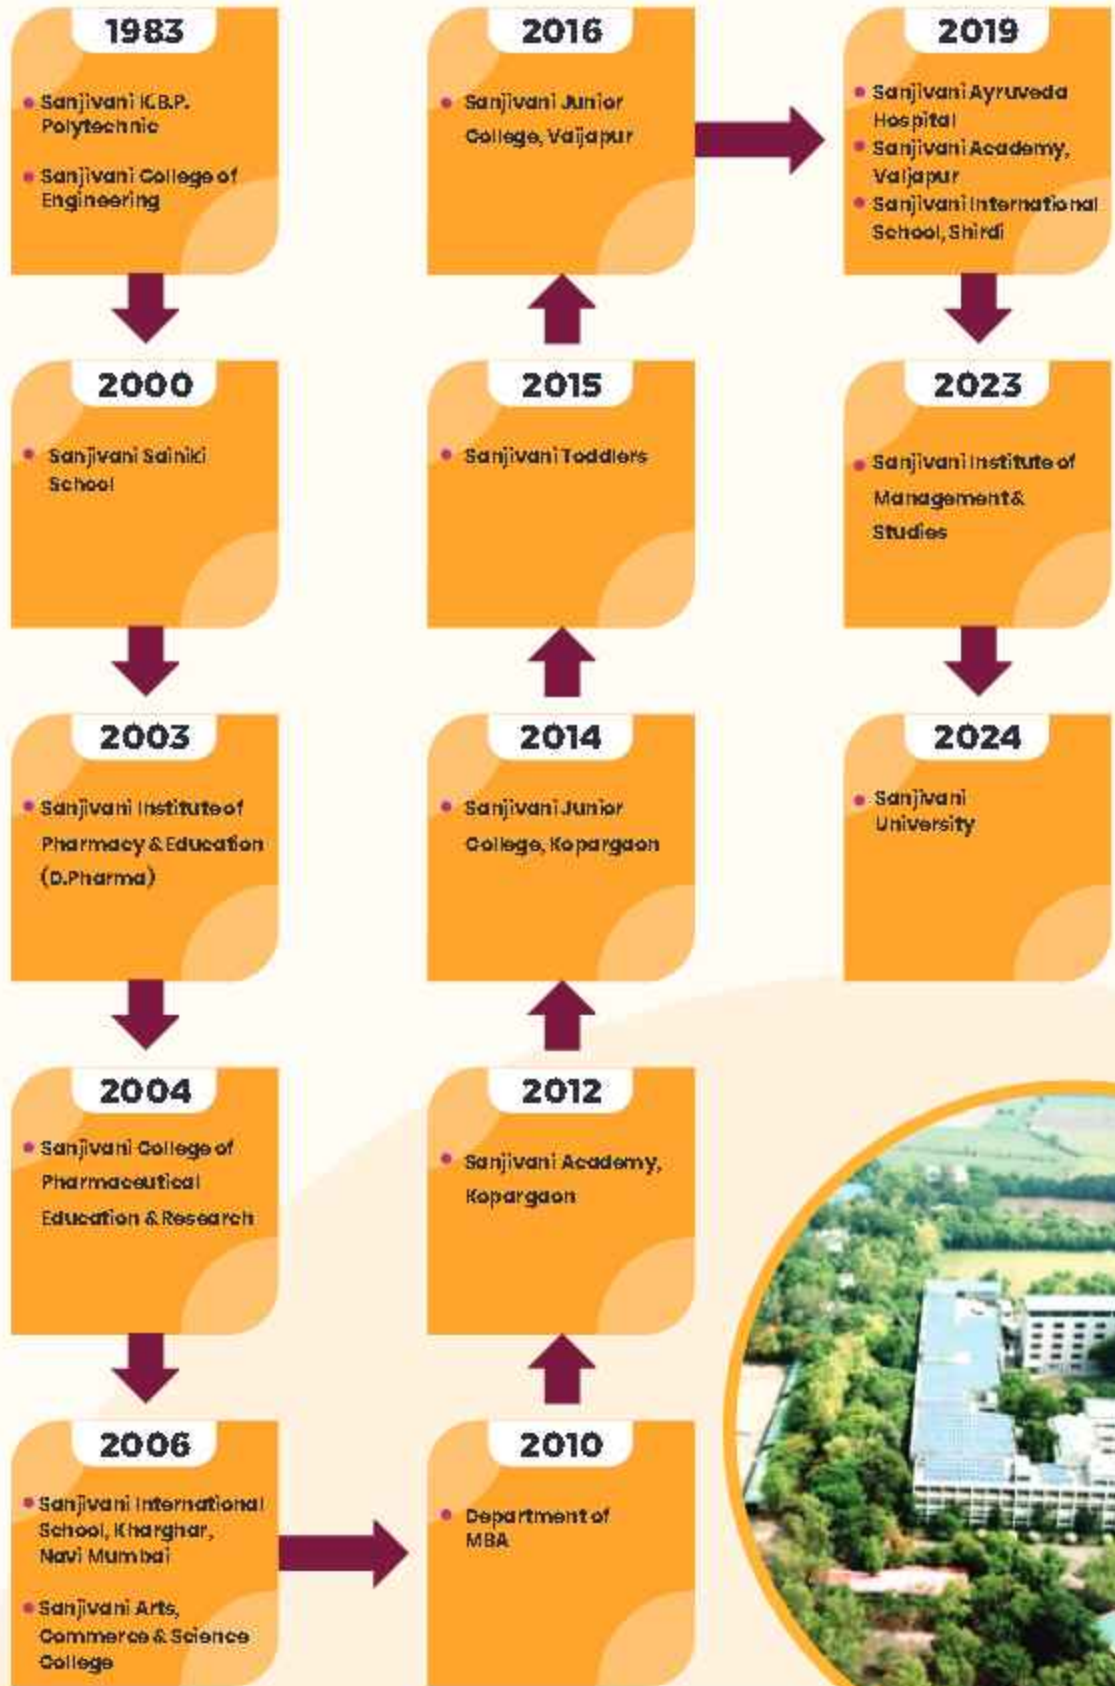

## Managing Trustee's Desk

With our vision to become a center of excellence for education, research, and training; we believe in providing quality education, research, and training facility. Our strength includes a group of high-quality, dedicated and experienced teachers with vibrant ideas and methodologies to extract the best in students. Our emphasis is to make student competent to meet the requirements of global competitiveness and their placements. I am sure about abundant job opportunities for Professionals in India and abroad. I am also confident that our students to become successful entrepreneurs and researchers.

**Hon'ble Shri. Amit Nitinrao Kolhe**  
Managing Trustee  
Sanjivani Rural Education Society

## Why Sanjivani?

- ✦ **Student Recognition:** Students are highly respected and positioned for diverse career paths.
- ✦ **Accreditation:** Accredited and recognized by official bodies, including NAAC and NBA.
- ✦ **Innovative Teaching Approach:** Teaching methodology transitions from theoretical knowledge to practical exposure.
- ✦ **Hands-on Learning:** Industry experts facilitate hands-on learning experiences.
- ✦ **Performance Monitoring:** Continuous assessment ensures both the academic and personal development of students.
- ✦ **Language Training:** Offers foreign language training to enhance global communication skills.
- ✦ **Vibrant Campus Life:** Campus life is vibrant, featuring a rich blend of sports, cultural, and social activities.
- ✦ **Placement:** We are committed to providing our students with the best placement options and competitive salaries.
- ✦ **International Internship:** Numerous international internships, international placements, alumni working abroad and a handful of international MOUs.

### VISION

To create academic excellence and to make world-class professionals for the socio-economic upliftment of rural India.

### MISSION

To make use of Science, Engineering, Technology etc. as the primary tools for economic development and enhance people's quality of life through education.

Sanjivani College of Pharmaceutical Education & Research is awarded **Best College Award - 2024** by SPPU, Pune

- 🏆 The institutes under the Sanjivani Rural Education Society have NBA accreditation, NAAC accreditation, ISO 9001-2008 certification.
- 🏆 Silver Award (MILCA Award 2020) for the Institute of Quality by the Confederation of Indian Industry (CII).
- 🏆 Sanjivani College of Pharmaceutical Education & Research has been ranked consistently in the National Institutional Ranking Framework (NIRF).

Established in 1983 by the Sanjivani Rural Educational Society, Sanjivani College of Engineering (Autonomous), Kopergaon stands as a premier technical institute in Maharashtra's unaided sector. Under the visionary leadership of Late Shankarraoji Kolhe Saheb, the institute was founded with a mission for societal transformation and rural upliftment through education, training, and research. Approved by the All India Council for Technical Education (AICTE) New Delhi, the college maintains accreditation from the National Board of Accreditation (NBA) for various programs. With eight departments, each led by distinguished professors renowned for their domain expertise, the college ensures comprehensive education and research opportunities.

**Industry-Aligned Placement Services:** Our engineering college prioritizes career readiness, offering comprehensive placement services tailored to the demands of the industry. Through partnerships with leading companies and specialized training programs, we prepare our graduates for successful careers in engineering and related fields, with the highest package reaching an impressive 20 LPA.

**Incubation Center for Innovation and Entrepreneurship:** Fuel your entrepreneurial spirit at our state-of-the-art incubation center, designed to support aspiring innovators in turning their ideas into thriving businesses. From mentorship programs to access to funding and networking opportunities, we provide the resources needed to launch and sustain successful ventures.

**Guidance for Higher Studies, International Internships, and Global Collaborations:** Explore opportunities for further academic pursuits and international experience through our guidance services. Whether you aspire to pursue advanced studies or gain valuable experience through foreign internships, our dedicated advisors will assist you in navigating these pathways, broadening your horizons and enhancing your career prospects in the global arena. Our college has also forged Memorandums of Understanding (MoU) with 12 prestigious universities abroad, providing avenues for collaborative research, exchange programs, and international academic initiatives.

# Masters of Business Administration (MBA) (Autonomous)

**DTE Code- 5160**

Sanjivani Rural Education Society launched its MBA Programme under Sanjivani College of Engineering in the academic year 2010-11, aiming to provide quality management education to the rural population. The program spans two years and is a full-time MBA approved by the All-India Council for Technical Education (AICTE), New Delhi. Additionally, it is affiliated with Savitribai Phule Pune University. The Master of Business Administration (MBA) program can enroll 120 students. It attained autonomous status from the academic year 2019-20, while maintaining its affiliation with Savitribai Phule Pune University. The approval from AICTE and the Government of Maharashtra underscores the program's adherence to recognized standards.

The National Assessment and Accreditation Council (NAAC) has awarded the MBA program with an `A` grade, recognizing its commitment to excellence in education. Notably, the institution has been honored with the Best Institute Award by Savitribai Phule Pune University Designated by the Directorate of Technical Education (DTE) with the Choice Code MB-5160, the MBA program at Sanjivani Rural Education Society stands as a testament to its commitment to delivering quality education and contributing to the development of management professionals in the region.

## Sanjivani Academy, Vaijapur A CBSE School

Step into the vibrant world of Sanjivani Academy, Vaijapur, where education transcends boundaries and ignites the flame of curiosity and excellence! Established in 2019 by the esteemed Sanjivani Rural Education Society, our school nestled in the picturesque Chhatrapati Sambhajnagar district of Maharashtra offers a holistic educational journey from pre-primary to class X. With a dynamic team of seasoned educators at the helm, we pride ourselves on providing an unparalleled learning experience. Our state-of-the-art infrastructure, complete with modern classrooms, cutting-edge laboratories, a treasure trove of knowledge in our library, and top-notch sports facilities, sets the stage for boundless exploration and growth. But we're more than just bricks and mortar; we're a community dedicated to nurturing well-rounded individuals. From academic prowess to sportsmanship and a rich tapestry of extracurricular activities, we believe in fostering every facet of a student's potential. Rooted in values education and character building, we instill in our students the virtues that define true success. Our accolades speak volumes about our commitment to excellence, with a stellar track record in board examinations and a mantle adorned with awards and recognitions. But our journey doesn't end there. Through engaging seminars, interactive workshops, and enlightening educational trips, we continuously expand horizons and shape tomorrow's leaders. Join us at Sanjivani Academy, where every day is an adventure in learning, and every student is a shining star in the making!

# Sanjivani Sainiki School and Junior College

Sanjivani Sainiki School and Junior College, a state-government-led Initiative affiliated with the Maharashtra State Board, operates as a residential school in Kopergaon with English as the medium of instruction. The comprehensive curriculum includes General Knowledge, Computer Education, and Military Training, preparing students for the National Defence Academy and Naval Academy Entrance Exams. Notably, the school boasts a remarkable 100% pass rate in S.S.C and H.S.C. Board Examinations. Emphasizing holistic development, it equips students for diverse careers, instilling a strong character and patriotism. The institution aims to bring public school education to the common man, aspiring to mold leaders for the defense services, fostering academic excellence and holistic citizenship in pursuit of national progress.

The school is a vibrant hub of academic and extracurricular activities. From debates and drawing competitions to music and national celebrations, it fosters creativity, patriotism and academic excellence. Birthdays are cherished, individual talents are showcased through science exhibitions and annual prize days. Students excel in national competitions like NCO, NSO, IMO, and more, demonstrating their intellectual prowess in diverse fields. This school paints a picture of a dynamic and nurturing environment where students learn, compete and celebrate together.

## Achievements

- Clean and Beautiful School Award
- Plantation and Conservation of Trees Award
- District Level Nirmal Madhyamik Shala Award
- NABET Accreditation

## Our Infrastructure

Successful students invest in their education and Sanjivani provides the best living and learning experience in return. Classrooms are equipped with the latest technology, including interactive whiteboards and flip-screen computers, to make lessons enjoyable and stimulating. Custom-built lecture theatres and modern laboratories provide ideal surroundings. All students have access to the College's virtual learning environment by downloading lecture notes and other useful course content, as well as taking part in online discussions with teachers and classmates.

### CAMPUS

The Institute is situated at a distance of 100 Kms from Ahmednagar & Nashik. The location is just 15 Kms from the Holy shrine of Shirdi (Sal Baba) and only 20 Kms away from Shirdi Airport. The Campus is at a distance of 0.5 km from Kopergaon Railway station and well connected via roads and communication facilities. The Campus spread over 29 acres of land, provides an Ideal environment for Education.

### COMPUTER LAB

Our computer lab provides the students as well as faculty with high bandwidth internet speed thereby making them proficient in keeping themselves abreast of all the advanced technological developments that happen around the world. One doesn't have to worry about the power cuts too, as the college computer lab is equipped with powerful backup 24\*7. Our college is WiFi-enabled, which helps the students work on their assignments from anywhere on campus. The computer lab remains open from 8.30 am to 6.00 pm, and after that WiFi proves to be of advantage to the students.

### LIBRARY

Libraries play an important role in the college experience. In addition to the academic resources they offer, libraries also figure prominently in campus life as venues for study group meetings, random run-ins with friends, and the location for late-night cramming sessions and furious efforts to finish term papers on time. While a growing number of student resources have migrated to remotely accessible digital formats, campus libraries continue to facilitate learning while strengthening social bonds.

## GYMNASIUM

A well-equipped gymnasium is available on campus for students as well as faculty. Physical activity is good for your mental health. Experts believe that exercise releases chemicals in your brain that make you feel good. Regular exercise can also boost your self-esteem and help you concentrate, sleep, look and feel better. According to Healthline, exercise can help reduce chronic pain by relieving inflammation and improving mobility.

## HOSTEL

Residing in the hostel provides students with the opportunity to experience living in a community dedicated to the academic and personal development of individual members. Hostel accommodation is available for students. The advantage of staying in a hostel is the self-catering facilities that they provide. They not only learn to develop self-reliance, teamwork, and responsibility in a hostel but also learn social harmony and cooperation with roommates.

## CLASSROOM

The institute has exquisitely designed classrooms with well-furnished desks and comfortable chairs. Facilities like multimedia projectors, computer system and overhead projector equip the classrooms with a high-tech faculty-student interaction. A classroom definition can be understood as a room in a school where lessons happen. Teachers go here to mark work, plan lessons, and teach their students.

## CAFETERIA

The canteen located in the Institutes' premises catering to the needs of the students is the essence of hygiene and quality food at reasonable prices. The aesthetically designed Cafeteria, managed by the institute serves delicious food to students and faculty. Having a cafeteria on college campus offers several benefits like it provides convenient and accessible options for students to have their meals.

## PLAYGROUND

A large playground is available to the students for sport, jogging, PT exercise etc. Children see a vast variety of physical benefits through playground play: Improved flexibility, agility, speed, and balance. Development of overall motor skills, dexterity and hand-eye coordination. Opportunities to learn how to control their movement.

Experience the thrill of sports at our institute, where excellence knows no bounds. With a proud tradition of nurturing champions, our commitment to athletic prowess spans from local courts to national arenas. Our state-of-the-art facilities cater to a diverse range of sporting disciplines, whether you thrive indoors or outdoors. From the intensity of national-level competitions to the grassroots fervor of state tournaments, our students shine on every stage. Dive into the heart-pounding action of indoor games like basketball and badminton, or conquer the great outdoors with football and athletics. And for those seeking to sculpt their bodies and sharpen their skills, our cutting-edge gym facility provides the perfect playground. Join us in embracing the passion, dedication, and triumph that define our sporting legacy.

Our Campus Hiring Program starts by the beginning of the Pre- Final semester. The Placement Process at Sanjivani includes some or all of below-mentioned activities:

## PLACEMENT PROCESS

The Corporate Relations & Placement team sends placement invitation to the companies enclosing a brief summary of the courses available at Sanjivani.

On receiving the job requirement, the CRP team announces the requirement of the company, asking interested students to submit their resumes of marks criteria, which

The company, after short listing candidates from the application pool and eligibility data file sent to them, sends back the list of short listed candidates to the CRPT at the earliest.

A mutually convenient date is finalized for the campus recruitment drive.

After completion of the selection process, the company is required to furnish the final list of selected students preferably on the same day, or as soon as possible.

The company sends offer letters to the CRPT for handing them over to the students.

Offer acceptances (from the students) are received and sent to the company by the CRPT.
