VISION OF THE **FOUNDER**

"Our aim is to develop professionals with human values who will make significant contributions to society and the nation."

Maharaja Agrasen Business School has been set up under the aegis of Maharaja Agrasen Technical Education Society (MATES).

On behalf of MATES, I extend a warm welcome to you. I take it as my utmost responsibility for upholding the student's expectations and trust in the institution. The institution aims to assist the students in their journey to graduation and making it rewarding and enlightening. Our students are encouraged to be active learners. The commitment of faculty members to academic excellence remains unwavering, and we are poised to embark on another extraordinary year as a result of the commitment and dedication of students, faculty, and staff who serve as our future's champions.

Once again, I welcome you and encourage you to visit our exquisite campus, meet our students, staff, specialized faculties and witness the facilities and opportunities MABS provides.

DR. NAND KISHORE GARG

Founder & Chief Advisor MATES

Chancellor, Maharaja Agrasen University, HP

CHAIRMAN'S **MESSAGE**

MABS is one of the premier educational institutions in Delhi, and it endeavors to continuously progress its academic performance.

Interactive learning and two-way communication create an intellectually stimulating, sincere, and responsive environment for higher education. We are committed to provide a high-quality academic experience for our students.

Apart from the modern infrastructure amenities and facilities, students are provided with a humble and learning environment in order to instill professional ethics. Additionally, emphasis is placed on overall personality development of the students to foster the zeal and confidence required to meet the exigency and challenges of global standards.

Wishing you all the very best!

VINEET KUMAR GUPTA (LOHIA)

Chairman, MATES

Chairman, MABS Governing Body

DIRECTOR SPEAKS

Modern business education is shifting from corporate expansion to cultivating creative, collaborative, and ethical leadership.

At Maharaja Agrasen Business School (MABS), we shape future managers into effective team players and responsible professionals. Our comprehensive PGDM programme combines rigorous academics—such as AI integration, analytics, Python, and immersive workshops—with practical corporate exposure to build logical thinking and robust employability skills. Through industry-aligned mentorship and active problem-solving challenges, students learn to navigate complex market environments with confidence. Recognized by industry leaders across India and abroad, MABS bridges the gap between academics and real-world dynamics.

We empower our graduates to lead with vision, integrity, and purpose. We invite you to join a premier institution committed to nurturing the ethical management leaders of tomorrow.
